

# 1911 LUG FITTING KIT - BROWNELLS 1911 AUTO LUG FITTING KIT

[Gunsmith Tools](#) > [Handgun Tools](#) > [Barrel Tools](#) > [Barrel Lug Tools](#)

## Helps You Fit The Standing Lugs On Oversized Barrels

Three essential tools work together to help you successfully fit oversized barrels. The Barrel Holder locks the barrel in the slide to let you cut the excess material on the lugs with the included, carbide Barrel Lug Cutters. Plus, the Slide Pusher holds the slide forward to put a consistent pressure on the barrel while cutting. Comes in a convenient case.

## Attributes

# 1911 LUG FITTING KIT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the 1911 Lug Fitting Kit by Brownells. This kit contains essential tools designed to help you fit oversized barrels safely and effectively. Please read this guide carefully to ensure safe use and compliance with EU safety regulations.

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the work area is clean, welllit, and free from distractions.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling tools.
- Keep the tools out of reach of children and vulnerable individuals.
- Regularly inspect tools for damage. Do not use damaged tools.
- Follow local laws and regulations regarding the use of firearms and related tools.

## Specific Safety Precautions for Use

### • Barrel Holder:

- Ensure the barrel is securely locked before making any cuts.
- Avoid placing fingers near the cutting area while operating.

### • Barrel Lug Cutters:

- Always use the correct size cutter for the job.
- Handle cutters with care, as they are sharp and can cause injury.

### • Slide Pusher:

- Ensure the slide is properly secured before applying pressure.
- Do not force the slide if it does not move freely; check for obstructions.

### • General:

- Do not use the kit for any purpose other than intended.
- Avoid using the kit if you are under the influence of drugs or alcohol.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all tools and ensure you have a clean workspace.
- Wear appropriate personal protective equipment (PPE).

### 2. Using the Barrel Holder:

- Place the barrel into the holder and ensure it is locked securely.
- Check that the holder is stable and will not move during use.

### 3. Using the Barrel Lug Cutters:

- Select the appropriate carbide cutter (.186" or .195").

- Attach the cutter to the handle.
- Carefully cut the excess material on the lugs while holding the barrel steady.
- Ensure your hands are clear of the cutting area.

#### **4. Using the Slide Pusher:**

- Position the slide on the barrel holder.
- Align the slide pusher to apply consistent pressure on the slide.
- Push the slide forward gently while cutting, ensuring even pressure.

#### **5. PostUse:**

- Clean all tools after use to remove any debris.
- Store the kit in the provided case to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or broken tools in accordance with local regulations.
- Do not dispose of tools in regular household waste.
- Consider recycling options for metal components where applicable.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please refer to the product packaging for contact details. You may also check for recall updates on the EU's Safety Gate platform.

By following these safety instructions, you can ensure a safe and effective experience with the 1911 Lug Fitting Kit. Thank you for prioritizing safety!
