

ALL DIAMETER SHOTGUN SIGHT INSTALLER - BROWNELLS

SHOTGUN SIGHT INSTALLER, SMALL DIAMETER, 0.050" TO 0.125"

[Gunsmith Tools](#) > [Shotgun Tools](#) > [Shotgun Sight Tools](#)

Screwdriver Handle Gives You Added Control; Spring Steel Collet Is Gentle On The Softest Aluminum

Headache-saving tool includes an adjustable, spring steel collet that positively and delicately holds the globe of the sight for easy, damage-free installation. The spring steel is gentle on the sight beads, plus stands up to repeated use for a long service life. A Brownells screwdriver handle improves your control to tightly screw in the sights without damage to them or the barrel. Available in Small and Large to accommodate practically any sized sight bead.

ALL DIAMETER SHOTGUN SIGHT INSTALLER

SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the ALL DIAMETER SHOTGUN SIGHT INSTALLER by Brownells. This tool is designed to assist in the safe and effective installation of shotgun sight beads. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the tool in accordance with these safety guidelines to minimize risks.
- Ensure that the tool is used only for its intended purpose.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the tool for any damage before each use. Do not use if damaged.
- Store the tool in a dry place to prevent rust or deterioration.
- Report any unsafe products or accidents to local authorities.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear safety glasses to protect your eyes from debris while using the tool.
- **Handling:** Handle the tool with care. Avoid applying excessive force that may cause damage to the tool or the sight.
- **Installation Surface:** Ensure the installation surface is stable and secure to prevent accidents.
- **Focus:** Stay focused while using the tool. Avoid distractions that may lead to mishandling.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including the shotgun sight installer and the sight bead.
- Ensure your work area is clean and welllit.

2. Selecting the Correct Size:

- Determine the diameter of the sight bead you will be installing.
- Choose the appropriate size of the shotgun sight installer (Small for .050" to .125" or Large for .115" to .188").

3. Using the Tool:

- Insert the sight bead into the collet of the shotgun sight installer.
- Adjust the collet to securely hold the sight bead without excessive pressure.
- Use the Brownells screwdriver handle to tighten the sight bead into place, ensuring it is secure but not overtightened.

4. Final Checks:

- After installation, doublecheck that the sight bead is firmly in place and properly aligned.
- Clean the area of any debris or leftover materials.

Disposal Instructions

- Dispose of the tool in accordance with local regulations regarding metal and plastic waste.
- Do not dispose of the tool in regular household waste if it is damaged or no longer usable.

Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the manufacturer or your local distributor. Ensure you have the product details available for reference.

Thank you for choosing the ALL DIAMETER SHOTGUN SIGHT INSTALLER. Your safety is our priority. Please follow these guidelines carefully to ensure a safe and effective experience.
