

# ALL DIAMETER SHOTGUN SIGHT INSTALLER - SHOTGUN SIGHT INSTALLER, LARGE DIAMETER, 0.115" TO 0.188"

[Gunsmith Tools & Supplies](#) > [Shotgun Tools](#) > [Shotgun Sight Tools](#)

## Screwdriver Handle Gives You Added Control; Spring Steel Collet Is Gentle On The Softest Aluminum

Headache-saving tool includes an adjustable, spring steel collet that positively and delicately holds the globe of the sight for easy, damage-free installation. The spring steel is gentle on the sight beads, plus stands up to repeated use for a long service life. A Brownells screwdriver handle improves your control to tightly screw in the sights without damage to them or the barrel. Available in Small and Large to accommodate practically any sized sight bead.

## SAFETY INSTRUCTIONS

### Introduction

Thank you for choosing the ALL DIAMETER SHOTGUN SIGHT INSTALLER. This tool is designed to assist with the installation of shotgun sights, ensuring a secure fit while minimizing the risk of damage to the sight beads and barrel. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the tool before each use for any signs of damage or wear.
- Use the tool in a welllit and stable environment to avoid accidents.
- Follow all instructions carefully to avoid injury or damage.

### Specific Safety Precautions for Use

- **Avoid Excessive Force:** Do not apply excessive force when using the installer, as this can damage the sight or the barrel.
- **Wear Safety Gear:** It is advisable to wear safety glasses while using the tool to protect your eyes from potential debris.
- **Check Compatibility:** Ensure that the sight bead you are installing is compatible with the size of the installer being used (Small or Large).
- **Use Appropriate Handle:** Use the Brownells screwdriver handle provided for better control and to prevent slipping during installation.
- **Secure Work Area:** Ensure that your work area is clear of obstacles and distractions to maintain focus while using the tool.

### Instructions for Installation and Usage

#### 1. Select the Correct Size:

- Choose the Small installer for sight beads with diameters between 0.050" (1.3mm) and 0.125" (3.2mm).
- Choose the Large installer for sight beads with diameters between 0.115" (2.9mm) and 0.188" (4.8mm).

#### 2. Prepare the Sight Bead:

- Clean the area around the sight bead to ensure a proper fit.
- Inspect the sight bead for any damage before installation.

#### 3. Adjust the Collet:

- Adjust the spring steel collet to fit snugly around the globe of the sight bead.

#### 4. Install the Sight Bead:

- Carefully position the sight bead in the desired location.
- Hold the installer firmly in place and use the Brownells screwdriver handle to tighten the sight bead into position.

- Ensure that the sight bead is secure but be careful not to overtighten.

#### **5. Final Inspection:**

- After installation, inspect the sight bead to ensure it is correctly positioned and secure.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for plastic and metal waste.
- Do not dispose of the product in household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or assistance regarding the ALL DIAMETER SHOTGUN SIGHT INSTALLER, please refer to the product packaging or visit the manufacturer's website for more information.

Thank you for your attention to these safety instructions. Enjoy using your ALL DIAMETER SHOTGUN SIGHT INSTALLER responsibly and safely.
