

HAMMER/SEAR BLOCK PINS - BROWNELLS COLT SAA HAMMER PIN

[Rifle Parts](#) > [Triggers Parts](#) > [Hammer Parts](#) > [Hammer Pins](#)

Allows Visual Inspection Of Hammer & Sear Engagement

For use with the Brownells Hammer/Sear Block, the machined steel block allows you to mate the hammer and sear (or trigger) outside of the firearm for a clear, unobstructed view of the critical point of engagement. These hammer and sear pins are sized for various handguns and rifles. Allen screw locks the pin setting so hammer and sear can be dropped in place relative to their actual position in the firearm. Great for cutting the engagement surfaces on new parts or fine-tuning the factory ones. Pins are individually numbered for proper identification.

Safety Instruction Guide for HAMMER/SEAR BLOCK PINS BROWNELLS COLT SAA HAMMER PIN

Introduction

Thank you for choosing the HAMMER/SEAR BLOCK PINS BROWNELLS COLT SAA HAMMER PIN. This product is designed to assist in the safe and effective handling of the hammer and sear in firearms. It is essential to read and understand these safety instructions to ensure proper usage and to minimize risks associated with handling firearms.

General Safety Guidelines

- Always ensure that the firearm is unloaded before using the hammer/sear block pins.
- Store the product in a secure location out of reach of children and unauthorized users.
- Use the product only for its intended purpose as described in this guide.
- Regularly inspect the pins for signs of wear or damage before each use.
- Follow all local laws and regulations regarding the handling and use of firearms.

Specific Safety Precautions for Use

- Handle all components with care to avoid injury.
- Wear appropriate safety gear, including eye protection, when working with firearms.
- Ensure that the work area is clean and free of distractions while using the hammer/sear block pins.
- Do not attempt to modify or alter the pins in any way.
- Keep fingers and other body parts clear of the hammer and sear engagement areas during use.
- If you are inexperienced or unsure about using this product, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is completely unloaded.
- Gather all necessary tools, including the hammer/sear block pins and an Allen screw.

2. Installation:

- Align the hammer and sear (or trigger) outside of the firearm.
- Insert the appropriate hammer/sear block pin into the designated position.
- Secure the pin in place using the Allen screw to lock the setting.

3. Usage:

- With the hammer and sear positioned correctly, check the engagement visually to ensure proper alignment.
- Make any necessary adjustments to the engagement surfaces on new parts or for finetuning factory components.
- Once adjustments are complete, remove the pins carefully to avoid disturbing the settings.

4. PostUse:

- After use, store the pins in a safe location.
- Clean the pins as necessary to maintain their condition.

Disposal Instructions

- Dispose of any damaged or worn pins in accordance with local regulations.
- Do not throw away the pins in regular trash. Instead, consider recycling options where applicable.

Contact Information for Further Support

For any safety inquiries or concerns regarding the HAMMER/SEAR BLOCK PINS BROWNELLS COLT SAA HAMMER PIN, please consult the product documentation or reach out to the manufacturer for assistance.

By adhering to these guidelines, you can ensure a safer experience while using the HAMMER/SEAR BLOCK PINS BROWNELLS COLT SAA HAMMER PIN. Always prioritize safety and responsibility when handling firearms.
