

# HAMMER/SEAR BLOCK PINS - UBERTI CATTLEMAN HAMMER PIN

[Rifle Parts](#) > [Triggers Parts](#) > [Hammer Parts](#) > [Hammer Pins](#)

## Allows Visual Inspection Of Hammer & Sear Engagement

For use with the Brownells Hammer/Sear Block, the machined steel block allows you to mate the hammer and sear (or trigger) outside of the firearm for a clear, unobstructed view of the critical point of engagement. These hammer and sear pins are sized for various handguns and rifles. Allen screw locks the pin setting so hammer and sear can be dropped in place relative to their actual position in the firearm. Great for cutting the engagement surfaces on new parts or fine-tuning the factory ones. Pins are individually numbered for proper identification.

## Attributes

- Name: [UBERTI CATTLEMAN HAMMER PIN](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080000102
- Mfr. No.:

# Safety Instruction Guide for HAMMER/SEAR BLOCK PINS UBERTI CATTLEMAN HAMMER PIN

## Introduction

Thank you for choosing the HAMMER/SEAR BLOCK PINS UBERTI CATTLEMAN HAMMER PIN. This product is designed to assist in the safe and effective engagement of your firearm's hammer and sear. Please read this safety instruction guide carefully to ensure proper usage and maintenance.

## General Safety Guidelines

- Always handle firearms and related components with care and respect.
- Ensure that you are familiar with the operation of your firearm before using this product.
- Keep the product out of reach of children and unauthorized users.
- Do not use this product if it appears damaged or worn.
- Report any unsafe products or incidents to the relevant authorities.
- Regularly check for updates regarding product recalls on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use this product only with compatible firearms, specifically the Uberti Cattleman model.
- Ensure that the firearm is unloaded before installation or adjustment of the hammer and sear.
- Avoid placing fingers near the hammer or sear during installation to prevent accidental discharge.
- Always wear appropriate safety gear, such as safety glasses, when working with firearms.
- If you are inexperienced, seek assistance from a qualified gunsmith or firearms expert.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your work area is clean and welllit.
- Gather all necessary tools, including the Allen wrench for securing the pins.

### 2. Installation:

- Unload the firearm completely.
- Remove the existing hammer and sear if necessary.
- Insert the hammer pin into the hammer and the sear pin into the sear.
- Use the Allen screw to lock the pin settings in place.
- Confirm that the hammer and sear are secure and properly aligned.

### 3. Usage:

- After installation, check the engagement of the hammer and sear by manually cycling the action of the firearm.
- Make any necessary adjustments to the engagement surfaces to ensure proper function.
- Always perform a safety check before using the firearm.

### 4. Postusage:

- Clean the area and tools used during installation.
- Store the product in a safe location away from children and unauthorized users.

## Disposal Instructions

- Dispose of this product in accordance with local regulations regarding metal and firearm components.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

## Contact Information for Further Support

For additional support or inquiries regarding this product, please consult your retailer or manufacturer. Ensure that you have the product details available for reference.

Thank you for your attention to these safety guidelines. Your safety is our priority.
