

HAMMER/SEAR BLOCK PINS - COLT AR-15 .172" LARGE HAMMER/TRIGGER PIN SET

[Rifle Parts](#) > [Triggers Parts](#) > [Hammer Parts](#) > [Hammer Pins](#)

Allows Visual Inspection Of Hammer & Sear Engagement

For use with the Brownells Hammer/Sear Block, the machined steel block allows you to mate the hammer and sear (or trigger) outside of the firearm for a clear, unobstructed view of the critical point of engagement. These hammer and sear pins are sized for various handguns and rifles. Allen screw locks the pin setting so hammer and sear can be dropped in place relative to their actual position in the firearm. Great for cutting the engagement surfaces on new parts or fine-tuning the factory ones. Pins are individually numbered for proper identification.

Attributes

- Name: [COLT AR-15 .172" LARGE HAMMER/TRIGGER PIN SET](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080000107
- Mfr. No.:
- Make: AR-15

Safety Instruction Guide for HAMMER/SEAR BLOCK PINS COLT AR15 .172" LARGE HAMMER/TRIGGER PIN SET

Introduction

Thank you for choosing the HAMMER/SEAR BLOCK PINS COLT AR15 .172" LARGE HAMMER/TRIGGER PIN SET. This product is designed to assist in the safe and efficient assembly of hammer and sear components outside of the firearm. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle tools and firearm components with care.
- Ensure that the workspace is clean, welllit, and free from distractions.
- Keep all components out of reach of children and unauthorized individuals.
- Inspect the product for any signs of damage before use.
- Use the product only for its intended purpose as outlined in this guide.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using this product.
- Ensure that the firearm is unloaded and clear of ammunition before beginning any work.
- Avoid using excessive force when inserting or removing pins to prevent damage to the components.
- Do not modify the pins or use them in a manner not specified in this guide.
- If you are unsure about the installation or use of this product, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components.
- Ensure the workspace is organized and free from clutter.

2. Installation of Hammer/Sear Block Pins:

- Position the hammer and sear in the Brownells Hammer/Sear Block.
- Align the hammer and sear pins with their respective holes in the block.
- Gently insert the pins into the block, ensuring they are seated properly.
- Use the Allen screw to lock the pin setting in place. This will secure the hammer and sear relative to their actual position in the firearm.

3. Usage:

- Once the pins are installed, you can proceed with cutting the engagement surfaces on new parts or finetuning factory components.
- Continuously check the alignment and seating of the pins during the process.
- After completion, carefully remove the pins and components from the block.

Disposal Instructions

- Dispose of any damaged or unusable components according to local regulations.
- Recycle any metal parts where applicable.
- Do not dispose of components in regular household waste.

Contact Information for Further Support

For any inquiries regarding product safety, usage, or support, please refer to the manufacturer's contact information provided on the packaging or the product website.

Thank you for your attention to these safety guidelines. Your safety and the proper use of this product are our top priorities.
