

HAMMER/SEAR BLOCK KITS - BROWNELLS HAMMER/SEAR PIN BLOCK KIT

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Trigger Job Tools](#) > [Stoning Fixtures](#)

Machined steel block allows you to mate the hammer and sear (or trigger) outside of the firearm for a clear, unobstructed view of the critical point of engagement. Accepts a wide selection of hammer and sear pins sized for various handguns and rifles. Dovetailed adjustment block rides in slotted channel so pin spacing can be precisely set to match individual frames and receivers. Allen screw locks the pin setting so hammer and sear can be dropped in place relative to their actual position in the firearm. Great for cutting the engagement surfaces on new parts or fine-tuning the factory ones. Pins are individually numbered for proper identification. Hammer/Sear Pin Block Kit is packaged in a see-thru, plastic box and contains hammer/sear pin block and all nine sets of special pins for popular gun models (Browning Hi-Power, Colt Army, Ruger 10/22, AR-15 Large and Small Pin, 1911, Uberti Cattleman, Ruger New SA, And Ruger MKII).

Safety Instruction Guide for HAMMER/SEAR BLOCK KITS BROWNELLS HAMMER/SEAR PIN BLOCK KIT

Introduction

Thank you for choosing the HAMMER/SEAR BLOCK KITS BROWNELLS HAMMER/SEAR PIN BLOCK KIT. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this guide carefully before using the kit.

General Safety Guidelines

- Ensure that you are familiar with the operation of the firearm for which you are using this kit.
- Always wear appropriate safety gear, including safety glasses and gloves, when working with firearms and tools.
- Keep the work area clean and organized to avoid accidents.
- Store the kit in a secure location out of reach of children and unauthorized individuals.
- Regularly inspect the kit for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearms and their accessories.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper handling of the hammer/sear block kit can lead to accidental discharge of the firearm.
- Misalignment of the hammer and sear can cause malfunctions.
- Use of incorrect pins may damage the firearm or the kit.

• Instructions for Avoiding Hazards:

- Always ensure the firearm is unloaded before beginning work.
- Use only the pins provided in the kit for the specified models to avoid compatibility issues.
- Do not force any components into place; ensure proper alignment and fit.
- When making adjustments, do so slowly and carefully to avoid damaging parts.

• AgeSpecific Warnings:

- This kit is intended for use by individuals aged 18 and older. Keep away from children.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Gather all necessary tools, including the hammer/sear block kit, and a clean work surface.

2. Using the Hammer/Sear Block Kit:

- Place the machined steel block on a stable surface.
- Insert the appropriate hammer and sear pins into the block, ensuring they are aligned correctly.
- Adjust the dovetailed adjustment block to set the pin spacing according to the firearm's specifications.

- Use the Allen screw to lock the pin setting in place.

3. Testing:

- After installation, manually test the hammer and sear engagement to ensure proper function before reassembling the firearm.
- Make any necessary adjustments to achieve the desired engagement.

4. Final Assembly:

- Once satisfied with the adjustments, carefully reassemble the firearm according to the manufacturer's guidelines.

Disposal Instructions

- Dispose of any damaged or worn components of the kit in accordance with local regulations.
- Do not dispose of the kit in regular household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any safety inquiries or support regarding the HAMMER/SEAR BLOCK KITS BROWNELLS HAMMER/SEAR PIN BLOCK KIT, please refer to the product packaging for contact details or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and the safety of those around you is of utmost importance. Always prioritize safe practices when handling firearms and related accessories.
