Shouldered Beads Screw To The Right Height Every Time; Popluar Sizes In Brass & Stainless Steel

Brownells Shotgun Sight Kit "C" is a must have for any gunsmith or sporting goods store looking to save valuable time and really please their customers. We have taken everything that's great about our Shotgun Sight Kits "A" and "B" - like their unparalleled selection of high-quality and size-popular sight beads - and added a special feature to make the beads in Kit "C" fast, easy, and convenient to install . . . every time. Every sight bead in Shotgun Sight Kit "C" has the advantage of skirted shoulders. What this means to you, the professional gunsmith or the sporting goods store owner, is you'll never have to get out your mike or calipers again to ensure you've installed the sight to its proper height. No more guesswork either! Because when the skirted shoulder reaches the barrel, it provides a positive stop that lets you know the sight is at its optimum height. Every sight from Shotgun Sight Kit "C" installs with fool-proof ease - saving you both valuable shop time and, even more important, the nightmare of upsetting a valuable customer. Not only will customers be pleased with the installation you do, they'll also love the huge selection of sizes and styles from which to choose. We selected the most popular sizes from our Shotgun Sight Kits "A" and "B", because we know that's what your customers will come in and ask you for. Plus, we know how important it is to offer different styles to please as many shooters as possible. That's why Kit "C" offers each size bead in both Gold and White. It provides the perfect selection; Gold brass for a classy, traditional look many shotgun owners are partial to and White stainless steel for a sight bead so strong it even stands up to hot bluing. Thread sizes include 3-56 and 6-48 with bead diameters of .067", .130", and .175" to give your customers the choice of small, medium and large beads. Also, for easy storage and quick identification, we've followed the same, convenient layout of Kits "A" and "B" to make it as simple as possible to find the sight you need. Kit "C's" plastic counter case is divided into eight compartments to keep the beads organized and right at your fingertips. Plus, if you put this great-looking kit on your counter for your customers to see, it's a great way to create more business by reminding people to replace broken or damaged sight beads. Brownells Shotgun Sight Kit "C" is everything you've been looking for; a huge selection, superb quality, and now the convenience of skirted shoulders. Order this time-saving, customer-pleasing kit today and enjoy the speed, precision, and ease with which each of these sights installs. Refill Sights for Kit "C" - Refills for the Shotgun Sight Kit "C" are single or 10-pak of sights of one number.

SHOTGUN SIGHT BEAD KIT "C" SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Brownells Shotgun Sight Bead Kit "C." This guide provides essential safety instructions and guidelines to ensure the safe use and installation of the product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the sight beads for any damage or defects before installation.
- Keep the kit out of reach of children and vulnerable individuals to prevent accidental injury.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The sight beads may have sharp edges that could cause injury if handled improperly.
- Improper installation may lead to sight misalignment, affecting shooting accuracy.

- **Avoiding Hazards:**

- Always wear safety glasses when working with firearms to protect your eyes.
- Handle the sight beads with care to avoid cuts or scratches.
- Ensure the firearm is unloaded before attempting to install or adjust the sight.

- **Age Specific Warnings:**

- This product is intended for use by adults and should not be used by children without adult supervision.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a screwdriver and any measuring devices.
- Ensure your work area is clean and well lit.

2. Installation Steps:

- Remove the old sight bead if applicable, ensuring the firearm is unloaded.
- Select the appropriate sight bead from the kit, considering the size and color preference.
- Align the skirted shoulder of the sight bead with the barrel of the shotgun.
- Gently press the sight bead into place until the skirted shoulder makes contact with the barrel, ensuring it is at the correct height.
- Secure the sight bead according to the manufacturer's instructions, ensuring it is firmly in place.

3. Post Installation:

- Doublecheck the installation to ensure the sight bead is secure and properly aligned.
- Test the firearm in a safe environment to ensure the sight is functioning correctly.

Disposal Instructions

- Dispose of any damaged or unused sight beads in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs or hazardous waste disposal guidelines.

Contact Information for Further Support

For additional support or inquiries regarding safety and usage, please refer to the manufacturer's contact details provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience with the Brownells Shotgun Sight Bead Kit "C." Thank you for your attention to these important guidelines. Enjoy your shooting experience!
