Shouldered Beads Screw To The Right Height Every Time; Popluar Sizes In Brass & Stainless Steel

Brownells Shotgun Sight Kit "C" is a must have for any gunsmith or sporting goods store looking to save valuable time and really please their customers. We have taken everything that's great about our Shotgun Sight Kits "A" and "B" - like their unparalleled selection of high-quality and size-popular sight beads - and added a special feature to make the beads in Kit "C" fast, easy, and convenient to install . . . every time. Every sight bead in Shotgun Sight Kit "C" has the advantage of skirted shoulders. What this means to you, the professional gunsmith or the sporting goods store owner, is you'll never have to get out your mike or calipers again to ensure you've installed the sight to its proper height. No more guesswork either! Because when the skirted shoulder reaches the barrel, it provides a positive stop that lets you know the sight is at its optimum height. Every sight from Shotgun Sight Kit "C" installs with fool-proof ease - saving you both valuable shop time and, even more important, the nightmare of upsetting a valuable customer. Not only will customers be pleased with the installation you do, they'll also love the huge selection of sizes and styles from which to choose. We selected the most popular sizes from our Shotgun Sight Kits "A" and "B", because we know that's what your customers will come in and ask you for. Plus, we know how important it is to offer different styles to please as many shooters as possible. That's why Kit "C" offers each size bead in both Gold and White. It provides the perfect selection; Gold brass for a classy, traditional look many shotgun owners are partial to and White stainless steel for a sight bead so strong it even stands up to hot bluing. Thread sizes include 3-56 and 6-48 with bead diameters of .067", .130", and .175" to give your customers the choice of small, medium and large beads. Also, for easy storage and quick identification, we've followed the same, convenient layout of Kits "A" and "B" to make it as simple as possible to find the sight you need. Kit "C's" plastic counter case is divided into eight compartments to keep the beads organized and right at your fingertips. Plus, if you put this great-looking kit on your counter for your customers to see, it's a great way to create more business by reminding people to replace broken or damaged sight beads. Brownells Shotgun Sight Kit "C" is everything you've been looking for; a huge selection, superb quality, and now the convenience of skirted shoulders. Order this time-saving, customer-pleasing kit today and enjoy the speed, precision, and ease with which each of these sights installs. Refill Sights for Kit "C" - Refills for the Shotgun Sight Kit "C" are single or 10-pak of sights of one number.

Safety Instruction Guide for SHOTGUN SIGHT BEAD KIT "C"

Introduction

Thank you for choosing the Brownells Shotgun Sight Bead Kit "C." This kit is designed for gunsmiths and sporting goods stores, providing a variety of highquality sight beads that are easy to install. To ensure your safety and the safety of others, please read this safety instruction guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** Always ensure that the Shotgun Sight Bead Kit is used according to the instructions. This kit is intended for nonfood use and must not be modified in any way.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided to return the product or obtain a remedy.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations. Verify that the product meets safety requirements.
- **Special Consumer Focus:** This product is not intended for children. Keep out of reach of minors and ensure that only qualified individuals handle the installation.
- **EU Contact Point:** For any safety inquiries related to this product, refer to the contact information provided by the retailer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on any unsafe products.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Always wear safety glasses when installing sight beads to protect your eyes from any debris.
 - Use appropriate tools as recommended in the installation instructions to avoid injury.
- **Handling:**
 - Handle the sight beads with care to avoid damaging them or causing injury.
 - Do not use excessive force when installing the beads to prevent breakage.
- **Work Environment:**
 - Ensure your workspace is welllit and organized to minimize the risk of accidents.
 - Keep the work area free of clutter and distractions during installation.

Instructions for Installation and Usage

- **Preparation:**
 - Gather all necessary tools and components before starting the installation process.
 - Ensure that the shotgun is unloaded and safe to work on before proceeding.
- **Installation Steps:**
 1. Select the appropriate sight bead from the kit based on the size and style preferred.
 2. Clean the area where the sight bead will be installed to ensure a secure fit.
 3. Align the skirted shoulder of the sight bead with the barrel of the shotgun.
 4. Gently press the sight bead into place until the skirted shoulder reaches the barrel, providing a

- positive stop.
5. Confirm that the bead is securely installed and at the correct height.

- **PostInstallation:**

- Inspect the installation to ensure that the sight bead is stable and properly aligned.
- Test the shotgun to ensure that the sight functions correctly before use.

Disposal Instructions

- **Disposal of Sight Beads:**

- Dispose of any broken or damaged sight beads in accordance with local regulations.
- Do not dispose of sight beads in regular household waste. Check for local recycling programs or hazardous waste disposal options.

- **Packaging:**

- Recycle the packaging materials where possible. Follow local recycling guidelines for disposal of plastic and cardboard.

Contact Information for Further Support

For any questions or concerns regarding the use of the Brownells Shotgun Sight Bead Kit "C," please refer to the retailer from whom you purchased the product for assistance.

By following these safety instructions, you can ensure a safe and effective installation of the Shotgun Sight Bead Kit "C." Thank you for your attention to safety, and enjoy the benefits of your new sight bead kit!
