

# STAINLESS STEEL ROLL PIN KIT - BROWNELLS 1/16" DIAMETER 1/2" (12.7MM) LENGTH ROLL PINS 48 PACK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

## Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in stainless steel to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length. Use the Roll Pin Punches for positive, safe removal.

# Safety Instruction Guide for Stainless Steel Roll Pin Kit

## Introduction

Thank you for choosing the Stainless Steel Roll Pin Kit from Brownells. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the kit out of reach of children and vulnerable individuals.
- Regularly inspect the roll pins for any signs of damage or wear before use.
- Avoid using damaged or worn roll pins, as they may pose safety risks.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling roll pins.
- Do not modify the roll pins or use them in a way not specified in this guide.

## Specific Safety Precautions for Use

- When inserting or removing roll pins, ensure that your hands are clear of the work area to avoid injury.
- Use the Roll Pin Punches as directed to ensure safe and effective removal of roll pins.
- Avoid using excessive force when installing or removing roll pins to prevent injury or damage.
- Be cautious of sharp edges on the roll pins, as they may cause cuts or puncture wounds.
- Store the roll pins in a dry, cool place to prevent corrosion and maintain their integrity.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including the appropriate Roll Pin Punches.
- Ensure your workspace is clean and welllit.

### 2. Installation:

- Select the correct diameter and length of roll pin for your application.
- Align the roll pin with the hole in the workpiece.
- Use the Roll Pin Punch to gently tap the roll pin into place. Ensure it is seated securely.

### 3. Removal:

- To remove a roll pin, place the Roll Pin Punch over the pin.
- Gently tap the punch with a hammer to drive the pin out. Ensure your hands are clear of the area.

### 4. Cutting to Length:

- If necessary, roll pins can be cut to the desired length using appropriate cutting tools.
- Always wear safety glasses when cutting to protect your eyes from metal shavings.

## Disposal Instructions

- Dispose of any damaged or unused roll pins in accordance with local regulations.

- Ensure that roll pins are not left in areas where they may pose a risk to others, especially children and pets.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding this product, please contact the manufacturer or consult the product packaging for details on how to reach them.

By following these safety instructions, you can ensure a safe and effective experience with the Stainless Steel Roll Pin Kit. Always prioritize safety and report any unsafe conditions to the appropriate authorities. Thank you for your attention to these guidelines.
