

# STAINLESS STEEL ROLL PIN KIT - BROWNELLS 1/8" DIAMETER 3/4" (19MM) LENGTH ROLL PINS 24 PACK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

## Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in stainless steel to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length. Use the Roll Pin Punches for positive, safe removal.

## Attributes

- Name: [BROWNELLS 1/8" DIAMETER 3/4" \(19MM\) LENGTH ROLL PINS 24 PACK](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080000140
- Mfr. No.:
- Diameter (in): 1/8
- Quantity: 24
- Delivery weight: 0.018kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 050806005532

# Safety Instruction Guide for Stainless Steel Roll Pin Kit

## Introduction

Thank you for purchasing the Stainless Steel Roll Pin Kit by Brownells. This kit includes a variety of roll pins that are essential for various applications, including firearms assembly and repair. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is suitable for your intended use.
- Always read the instructions carefully before using the roll pins.
- Keep the kit out of reach of children and vulnerable individuals.
- Inspect the roll pins for any defects or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for product recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling roll pins.
- Ensure that the work area is clean and free from hazards.
- Avoid using roll pins that are bent, worn, or damaged.
- Do not force roll pins into holes that are too small or misaligned.
- Use the Roll Pin Punches for safe and effective removal of roll pins.
- Ensure that all tools used are in good condition and suitable for the task.

## Instructions for Installation and Usage

### 1. Selecting the Right Pin:

- Choose the appropriate diameter and length of roll pin for your application. Refer to the product specifications:
  - 1/16" (1.6mm) diameter 192 pins
  - 5/64" (2mm) diameter 180 pins
  - 3/32" (2.4mm) diameter 144 pins
  - 1/8" (3.2mm) diameter 96 pins
  - 5/32" (2mm) diameter 144 pins
  - 3/16" (4.8mm) diameter 36 pins
  - 7/32" (5.6mm) diameter 36 pins
  - 1/4" (6.3mm) diameter 24 pins

### 2. Installation:

- Align the roll pin with the holes in the components you are working on.
- Use a hammer or punch to insert the roll pin gently. Ensure that it is aligned properly to prevent bending.
- If necessary, use a Roll Pin Punch to assist with the installation.

### 3. Removal:

- To remove a roll pin, use the Roll Pin Punch to push it out gently.

- Ensure that you are applying even pressure to avoid damaging the surrounding materials.

#### **4. Cutting to Length:**

- If required, roll pins can be cut to the desired length. Use appropriate cutting tools and ensure that the cut is clean to maintain the integrity of the pin.

## **Disposal Instructions**

- Dispose of any damaged or unusable roll pins in accordance with local regulations.
- Do not dispose of roll pins in regular household waste if they are considered hazardous.
- Check with your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Stainless Steel Roll Pin Kit, please refer to the product packaging or visit the manufacturer's website for additional resources and support.

Thank you for your attention to these safety guidelines. Your safety is our priority!
