

# STAINLESS STEEL ROLL PIN KIT - BROWNELLS 5/32" DIAMETER 1" (2.5CM) LENGTH ROLL PINS 36 PACK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

## Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in stainless steel to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length. Use the Roll Pin Punches for positive, safe removal.

# Safety Instruction Guide for Stainless Steel Roll Pin Kit Brownells 5/32" Diameter 1" Length Roll Pins

## Introduction

Thank you for choosing the Stainless Steel Roll Pin Kit from Brownells. This kit includes a variety of roll pins that are designed for use in firearms and other applications. To ensure your safety and the safe use of this product, please read and follow the instructions and guidelines outlined in this safety instruction guide.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the roll pins by following all guidelines and instructions provided. Make sure to keep this product out of reach of children and vulnerable individuals.
- **Enhanced Recalls:** Stay informed about any potential recalls. If you receive a recall notice, follow the instructions provided to return or remedy the product.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations similar to those in physical stores.
- **Special Consumer Focus:** Extra caution should be taken when using this product around children or individuals who may not understand the risks.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the seller or manufacturer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Roll pins can cause injury if mishandled. Always wear appropriate safety gear, including eye protection, when using the pins.
  - Ensure that the work area is clean and free of obstructions to prevent accidents.
- **Avoiding Hazards:**
  - Do not use roll pins that are damaged or deformed.
  - Always use the correct size of roll pin for your application to avoid excessive force and potential injury.
  - Keep fingers and hands clear of the pin insertion area to prevent pinching or injury.

## Instructions for Installation and Usage

- **Installation:**
  - Select the appropriate roll pin size for your application.
  - Use a Roll Pin Punch to insert the pin safely. Align the pin with the holes and gently tap with a hammer to insert.
  - Ensure that the pin is fully seated and secure before use.
- **Usage:**
  - Roll pins can be used to replace taper pins, dowels, groove pins, and set screws.

- For removal, use the Roll Pin Punches to ensure safe and positive removal.

- **Cutting:**

- Roll pins can be cut to any length as needed. Use appropriate cutting tools and safety measures when cutting the pins.

## **Disposal Instructions**

- Dispose of any unused or damaged roll pins in accordance with local regulations for metal waste.
- Ensure that roll pins are kept out of reach of children and pets before disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Stainless Steel Roll Pin Kit, please refer to the contact information provided by the seller or manufacturer. They will be able to assist you with any safety inquiries or product-related issues.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the Stainless Steel Roll Pin Kit.
