

STAINLESS STEEL ROLL PIN KIT - BROWNELLS 3/16" DIAMETER 1/2" (12.7MM) LENGTH ROLL PINS 12 PACK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Roll Pins](#)

Growing Popularity Demands You Have This Convenient Assortment

With the increasing use of roll pins in guns, we've been looking for a good assortment of them in stainless steel to offer. Finally found it - with 850 pins in 8 diameters and various lengths (see below). Should take care of most gun needs! Great for other shop jobs too. Make jigs, fixtures, or use to replace taper pins, dowels, groove pins, set screws, etc. Will not slip or vibrate out. Easy to use, as require no threading or taping. Can be cut to any length. Use the Roll Pin Punches for positive, safe removal.

Safety Instruction Guide for Stainless Steel Roll Pin Kit

Introduction

Thank you for choosing the Stainless Steel Roll Pin Kit by Brownells. This kit includes a variety of roll pins designed for use in firearms and other applications. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle roll pins with care to avoid injury.
- Keep roll pins out of reach of children and vulnerable individuals.
- Inspect the roll pins for any signs of damage before use. Do not use damaged pins.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling and installing roll pins.
- Ensure that your work area is clean and welllit to prevent accidents.
- Familiarize yourself with the tools required for installation and removal of roll pins.

Specific Safety Precautions for Use

- Avoid using excessive force when installing or removing roll pins to prevent injury and damage to components.
- Ensure that the Roll Pin Punches are used correctly to facilitate safe removal of roll pins.
- Do not modify or alter the roll pins in any way.
- Store the roll pins in a dry and secure location to prevent rust and damage.
- Be cautious of sharp edges when handling roll pins, as they may cause cuts or punctures.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including the appropriate Roll Pin Punches.
- Select the correct size roll pin for your application.

2. Installation:

- Align the roll pin with the holes in the components being joined.
- Use the Roll Pin Punch to gently tap the roll pin into place. Ensure that it is seated evenly.
- Avoid excessive force; if the pin does not go in easily, check alignment and hole size.

3. Removal:

- To remove a roll pin, use the Roll Pin Punch to push it out gently.
- Ensure that the area is clear of obstacles and that you have a firm grip on the components.

4. Cutting:

- If necessary, roll pins can be cut to the desired length using appropriate cutting tools.
- Always wear safety glasses when cutting to protect your eyes from metal shavings.

Disposal Instructions

- Dispose of any damaged or unusable roll pins in accordance with local regulations.
- Do not dispose of roll pins in regular household waste if they are sharp or pose a hazard.

Contact Information for Further Support

For any questions or concerns regarding the Stainless Steel Roll Pin Kit, please refer to the manufacturer's contact information provided on the packaging or visit their official website.

By following these safety instructions, you can ensure a safe and effective experience with your Stainless Steel Roll Pin Kit. Thank you for your attention to safety!
