# REMINGTON 1100/1187 INTERCEPTOR LATCH RETAINER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the REMINGTON 1100/1187 INTERCEPTOR LATCH RETAINER. This product is designed to enhance the performance of your firearm by reducing play in the latch body, ensuring improved feeding and positive operation. Please read and follow these safety instructions carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model (Remington 1100 or 1187).
- Always handle firearms with care and follow basic firearm safety rules.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the latch retainer for wear and damage.
- Do not use if the product shows signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear safety glasses when working with firearms.
- Ensure the firearm is unloaded before installation or maintenance.
- Handle all parts with clean, dry hands to prevent contamination.
- Avoid using excessive force during installation to prevent damage.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your firearm is completely unloaded.
- Gather necessary tools (if applicable) for installation.
- Inspect the latch retainer for any visible damage.

### 2. Installation

- Remove the existing latch retainer from your firearm by following the manufacturer's guidelines.
- Select the appropriate thickness of the new latch retainer (.025", .030", or .035").
- Align the new latch retainer with the latch body.
- Gently press or secure the latch retainer in place, ensuring it fits snugly.
- Doublecheck that the latch operates smoothly without obstruction.

### 3. Usage

- After installation, test the latch to ensure it engages and releases properly.
- Regularly check the latch retainer during routine maintenance of your firearm.
- If you experience any issues with feeding or operation, consult a professional.

## **Disposal Instructions**

- Dispose of any old or damaged latch retainers in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility or hazardous waste collection point.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the REMINGTON 1100/1187 INTERCEPTOR LATCH RETAINER, please consult your local firearms dealer or a qualified gunsmith.

By following these guidelines, you can ensure the safe and effective use of your REMINGTON 1100/1187 INTERCEPTOR LATCH RETAINER. Thank you for your attention to safety!
