# Safety Instruction Guide for .17 Caliber Crown Cutters

## Introduction

Thank you for purchasing the .17 Caliber Crown Cutters by Brownells. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before each use.
- Use appropriate personal protective equipment (PPE), including safety goggles and gloves.
- Ensure that your work area is clean, welllit, and free from distractions.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on recall notices by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Handle the crown cutters with care to avoid cuts or injuries.
- Avoid using the product if you are tired or under the influence of substances that may impair your judgment.
- Use the crown cutters only for their intended purpose.
- Ensure that the cutter is securely attached to the tool before use.
- Do not exceed the recommended speed settings for the tool being used with the crown cutters.
- Always cut away from your body to prevent injuries.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the power tool you are using is turned off and unplugged.
- Select the appropriate crown cutter for your specific application.
- Attach the crown cutter to the power tool according to the manufacturer's instructions, ensuring a secure fit.
- Doublecheck that the cutter is firmly in place before proceeding.

### 2. Usage:

- Wear appropriate PPE, including safety goggles and gloves.
- Position the workpiece securely to prevent movement during cutting.
- Turn on the power tool and allow it to reach the recommended speed.
- Gently guide the crown cutter into the workpiece, applying consistent pressure.
- Avoid forcing the cutter; let it do the work to achieve a clean cut.
- Once the cutting is complete, turn off the power tool and carefully remove the crown cutter.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for metal components where available.

## **Contact Information for Further Support**

For further support or inquiries regarding the .17 Caliber Crown Cutters, please refer to the manufacturer's contact information provided on the packaging or the official website.

Thank you for following these safety instructions. Your safety is our priority. Enjoy using your .17 Caliber Crown Cutters responsibly!
