

CASTLE NUT PLIERS for M14/M1A - BROWNELLS M14/M1A CASTLE NUT PLIERS

[Gunsmith Tools](#) > [Rifle Tools](#) > [Barrel Tools](#)

Hardened, Steel Head Eliminates Flex, Prevents Stripping

Thick, steel handles provide the necessary strength and rigidity to tighten and loosen the flash suppressor nut on M1A/M14 rifles. Hardened jaw points provide precise engagement to eliminate notch stripping. Rubber sleeves give a positive gripping surface.

CASTLE NUT PLIERS Safety Instruction Guide

Introduction

Thank you for choosing the CASTLE NUT PLIERS for M14/M1A by BROWNELLS. This tool is designed to assist in the safe and efficient tightening and loosening of the flash suppressor nut on M1A/M14 rifles. This guide provides essential safety instructions to ensure proper usage and maintenance of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the CASTLE NUT PLIERS.
- Use the tool only for its intended purpose, which is to handle the flash suppressor nut on M1A/M14 rifles.
- Inspect the tool before each use to ensure it is in good condition. Do not use if damaged.
- Keep the tool out of reach of children and vulnerable individuals.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the pliers are clean and free from any debris before use.
- Always wear safety goggles to protect your eyes from potential debris or tools slipping.
- Use the pliers on a stable surface to prevent slipping during operation.
- Do not apply excessive force that may damage the pliers or the flash suppressor nut.
- Avoid using the pliers in wet or damp conditions to prevent slipping.
- If you are unsure of how to use the tool, seek assistance from a knowledgeable individual or professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary equipment and workspace ready.
- Place the rifle securely in a stable position.

2. Using the CASTLE NUT PLIERS:

- Align the hardened jaw points of the pliers with the flash suppressor nut.
- Grip the handles firmly, ensuring that the rubber sleeves provide a secure hold.
- Turn the pliers to tighten or loosen the flash suppressor nut as required.
- For tightening, turn clockwise; for loosening, turn counterclockwise.

3. Post Use Care:

- After use, clean the pliers with a dry cloth to remove any residue.
- Store the pliers in a dry place away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the CASTLE NUT PLIERS in accordance with local regulations.
- If the tool is damaged beyond repair, consider recycling the metal components if applicable.

Contact Information for Further Support

For any safety inquiries or additional support regarding the CASTLE NUT PLIERS, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you ensure not only your safety but also the longevity of the CASTLE NUT PLIERS. Thank you for your attention to these important instructions.
