

LEVER ACTION SPRING KIT for MARLIN LEVER ACTION - BROWNELLS LEVER ACTION SPRING KIT FOR MARLIN LEVER ACTIONS

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Springs](#)

Smoothes Trigger Pull & Speeds Cycle Time For Higher Cowboy Action Scores

High-quality, reduced power springs give the Cowboy Action shooter the advantages of a light, crisp trigger pull while reducing the effort required to cycle the lever assembly. Reduced power hammer spring replaces the heavy factory spring for improved trigger pull. Light, lever latch spring reduces latch pressure and friction for fast, easy cycling and quick follow-up shots.

Attributes

- Name: [BROWNELLS LEVER ACTION SPRING KIT FOR MARLIN LEVER ACTIONS](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080000192

LEVER ACTION SPRING KIT Safety Instructions

Introduction

Thank you for choosing the LEVER ACTION SPRING KIT for Marlin Lever Actions by Brownells. This product is designed to enhance your shooting experience by providing a lighter trigger pull and smoother cycling. However, it is essential to use this product safely and responsibly. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your safety and compliance with EU regulations.

General Safety Guidelines

- Always treat firearms and their components as if they are loaded.
- Ensure that you are familiar with the operation of your firearm before using this product.
- Keep the LEVER ACTION SPRING KIT out of reach of children and unauthorized users.
- Inspect the product for any signs of damage before installation.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only with compatible Marlin models: 1895, 1894, 336, 39, 444, and 39A.
- Do not exceed the manufacturer's specifications for your firearm.
- Always wear appropriate eye and ear protection when handling or shooting firearms.
- Ensure that your firearm is in good working condition before installation.
- Avoid using the product in adverse weather conditions that may affect performance.
- Be aware of your surroundings and follow all local laws regarding firearm use.

Instructions for Installation and Usage

Installation Instructions

- 1. Preparation:**
 - Ensure the firearm is unloaded and pointed in a safe direction.
 - Gather the necessary tools for installation (screwdriver, etc.).
- 2. Remove the Factory Springs:**
 - Carefully disassemble the lever action rifle according to the manufacturer's instructions.
 - Remove the heavy factory hammer spring and lever latch spring.
- 3. Install the New Springs:**
 - Insert the reduced power hammer spring into the appropriate location.
 - Follow by installing the light lever latch spring.
 - Ensure both springs are seated properly and securely.
- 4. Reassemble the Rifle:**
 - Carefully reassemble the rifle, ensuring all components are aligned and secured.
- 5. Function Check:**
 - Conduct a function check to ensure the rifle operates smoothly with the new springs.

- Test the trigger pull and lever cycling to confirm improvements.

Usage Instructions

- Practice safe handling and storage of your firearm at all times.
- Regularly inspect the LEVER ACTION SPRING KIT for wear and tear.
- If you notice any performance issues, consult a qualified gunsmith.

Disposal Instructions

- Dispose of any old springs and components in accordance with local regulations.
- Do not dispose of the springs in household waste. Check for local recycling programs for metal materials.
- Ensure that all components are disposed of in a manner that prevents access by children or unauthorized individuals.

Contact Information for Further Support

For questions or concerns regarding the LEVER ACTION SPRING KIT, please consult the manufacturer or a qualified firearms expert for assistance. It is crucial to follow all safety guidelines and regulations to ensure a safe and enjoyable shooting experience.
