

REMINGTON 597 EXTRACTOR - BROWNELLS REMINGTON 597 EXTRACTOR

[Rifle Parts](#) > [Bolt Parts](#) > [Extractor Parts](#) > [Extractors](#)

Fully Machined & Hardened For Proper Fit & Function

Machined tool steel for an exact fit, hardened for extra strength and longer service life than the stamped, factory part. Precision ground hook ensures positive contact on cartridge rim for reliable extraction every time. Use as a replacement for broken 597 extractors or as an upgrade for long, trouble-free performance. Fits .22LR, .22 Magnum, and .17 HMR.

REMINGTON 597 EXTRACTOR Safety Instructions

Introduction

Thank you for choosing the REMINGTON 597 EXTRACTOR. This product is designed to enhance the performance of your firearm by providing a reliable extraction mechanism. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that the firearm is unloaded before performing any maintenance or installation of parts.
- Keep the extractor and all firearm components out of reach of children and unauthorized users.
- Use the extractor only with compatible firearms, specifically the Remington 597 in .22LR, .22 Magnum, and .17 HMR.
- Regularly inspect the extractor for wear or damage. Replace if necessary.
- Follow all local laws and regulations regarding firearm maintenance and safety.

Specific Safety Precautions for Use

- Ensure that you are in a safe environment when working with the extractor.
- Wear appropriate safety gear, including safety glasses, when handling firearm components.
- Be aware of your surroundings and ensure that no one is in close proximity when handling the firearm.
- Do not attempt to modify the extractor or use it in a manner not intended by the manufacturer.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather the necessary tools for installation, including a punch and hammer.

2. Removing the Old Extractor

- Disassemble the firearm according to the manufacturer's instructions.
- Locate the extractor and gently tap out the retaining pin using a punch.
- Carefully remove the old extractor from its position.

3. Installing the New Extractor

- Take the new REMINGTON 597 EXTRACTOR and align it with the extractor slot.
- Insert the new extractor into place.
- Replace the retaining pin and ensure it is securely in position.

4. Reassembly

- Follow the manufacturer's instructions to reassemble the firearm.
- Check that all components are functioning correctly before use.

5. Testing

- Conduct a function test in a safe environment to ensure reliable operation before using the firearm in a live setting.

Disposal Instructions

- Dispose of the old extractor in accordance with local regulations for metal waste.
- Do not dispose of any firearm components in regular household waste. Check for local recycling programs or hazardous waste disposal facilities.

Contact Information for Further Support

For any inquiries regarding the REMINGTON 597 EXTRACTOR or for more information on safety practices, please refer to the manufacturer's contact points available at the time of purchase. Always ensure you follow the latest guidelines and recommendations from certified professionals.

By adhering to these safety instructions, you can ensure a safe and effective experience with your REMINGTON 597 EXTRACTOR. Thank you for your attention to safety and responsible firearm use.
