

# ROLL PIN STARTER PUNCHES - BROWNEllS STANDARD ROLL PIN STARTER PUNCH 7 PIECE KIT

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Punches](#)

## Start Roll Pins Without Damage

Start the removal of roll or spring pins without causing damage to the pins or the punch. Short shaft starter punch gives you more control by putting your hand closer to the pin and keeps you from bending longer finishing roll pin punches. Made from solid steel, with parallel-ground shanks and knurled handles.

# Safety Instruction Guide for ROLL PIN STARTER PUNCHES BROWNELLS ROLL PIN STARTER PUNCH KIT

## Introduction

Thank you for choosing the ROLL PIN STARTER PUNCHES BROWNELLS ROLL PIN STARTER PUNCH KIT. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read through the entire guide before using the roll pin starter punches.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the punches for any signs of damage or wear before use.
- Keep the punches out of reach of children and unauthorized users.
- Use the product in a welllit and organized workspace to avoid accidents.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the punches.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Injury from improperly handled punches.
- Damage to pins or surfaces if the punches are misused.

### • Avoiding Hazards:

- Always hold the punch firmly and ensure it is aligned properly with the pin before striking.
- Do not use excessive force; if the punch does not move the pin, reassess the alignment and technique.
- Do not use the punches for any purpose other than removing roll or spring pins.
- Ensure that the area is clear of bystanders while using the punches.

### • Age Specific Warnings:

- This product is not suitable for children. Ensure that only trained adults use the punches.

## Instructions for Installation and Usage

### • Preparation:

- Gather all necessary tools and materials before starting.

### • Using the Punch:

1. Select the appropriate size punch for the roll or spring pin you intend to remove.
2. Align the punch with the pin, ensuring a snug fit.
3. Hold the punch with one hand and use a hammer or similar tool with the other hand to strike the punch gently.
4. Apply controlled force and check the movement of the pin after each strike.

5. If the pin does not move, stop and reassess the alignment and technique.

- **PostUse:**

- Clean the punches after use to prevent rust and damage.
- Store the punches in a safe, dry place, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of any damaged or worn punches in accordance with local regulations.
- Do not dispose of the punches in regular household waste if they are made of metal. Check for local recycling options.

## **Contact Information for Further Support**

For safety inquiries or additional support, please refer to your local product retailer or manufacturer's website.
