

ROLL PIN STARTER PUNCHES - BROWNELLS STANDARD ROLL PIN STARTER PUNCH, #2, 5/64"

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Punches](#)

Start Roll Pins Without Damage

Start the removal of roll or spring pins without causing damage to the pins or the punch. Short shaft starter punch gives you more control by putting your hand closer to the pin and keeps you from bending longer finishing roll pin punches. Made from solid steel, with parallel-ground shanks and knurled handles.

ROLL PIN STARTER PUNCHES SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Brownells #2 Roll Pin Starter Punch 5/64". This tool is designed to assist in the safe removal of roll or spring pins without causing damage to the pins or the punch itself. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you use the tool in a welllit and clean workspace to prevent accidents.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes from debris.
- Keep the tool out of reach of children and vulnerable individuals.
- Regularly inspect the tool for any signs of wear or damage before use.
- Do not use the tool for any purpose other than its intended use.
- If you notice any defects or irregularities, discontinue use immediately and report the issue.

Specific Safety Precautions for Use

- Use the roll pin starter punch only on roll or spring pins; do not attempt to use it on other types of fasteners.
- Maintain a firm grip on the punch at all times to prevent slipping.
- Position your hand close to the pin to maintain control while using the punch.
- Avoid excessive force when using the punch to prevent bending or damaging the tool.
- If the punch becomes stuck, do not force it out. Instead, gently wiggle it free to avoid damage.
- Always ensure that the workpiece is securely held in place before using the tool.

Instructions for Installation and Usage

1. **Selecting the Right Size:** Choose the appropriate size of the roll pin starter punch from the kit. The kit contains the following sizes:
 - #1, 1/16" (1.6mm)
 - #2, 5/64" (2mm) This is the product you are using.
 - #3, 3/32" (2.4mm)
 - #4, 1/8" (3.2mm)
 - #5, 5/32" (4mm)
 - #6, 3/16" (4.8mm)
 - #7, 7/32" (5.5mm)
2. **Preparing the Workspace:** Ensure your work area is clear of clutter and distractions.
3. **Using the Punch:**
 - Hold the punch in your dominant hand, keeping your fingers away from the striking area.
 - Position the punch tip against the roll pin you wish to remove.
 - With your other hand, use a hammer or mallet to gently strike the end of the punch.
 - Apply consistent, moderate force until the pin begins to move.
4. **Removing the Pin:** Once the pin is loosened, you can usually remove it by hand or continue using the punch until it is fully extracted.

Disposal Instructions

- Dispose of the roll pin starter punch responsibly when it reaches the end of its life cycle.
- Follow local regulations for metal disposal or recycling.
- If the punch is damaged beyond repair, ensure it is disposed of in a manner that prevents harm to the environment or others.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the use of the Brownells #2 Roll Pin Starter Punch, please consult your retailer or manufacturer. Ensure you have the product details available for reference.

This safety instruction guide is designed to provide you with essential information for the safe and effective use of the Brownells #2 Roll Pin Starter Punch 5/64". By following these guidelines, you help ensure your safety and the longevity of the tool. Thank you for your attention to safety!
