

ROLL PIN STARTER PUNCHES - STANDARD ROLL PIN STARTER PUNCH, #3, 3/32"

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Punches](#)

Start Roll Pins Without Damage

Start the removal of roll or spring pins without causing damage to the pins or the punch. Short shaft starter punch gives you more control by putting your hand closer to the pin and keeps you from bending longer finishing roll pin punches. Made from solid steel, with parallel-ground shanks and knurled handles.

Attributes

- Name: [STANDARD ROLL PIN STARTER PUNCH, #3, 3/32"](#)

Safety Instruction Guide for ROLL PIN STARTER PUNCHES

Introduction

Thank you for choosing the ROLL PIN STARTER PUNCHES. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before use.

General Safety Guidelines

- Always use the punch for its intended purpose as specified in the product description.
- Keep the tool out of reach of children and vulnerable individuals.
- Inspect the punch before each use for any signs of damage or wear.
- Do not use the punch if it is damaged or if the handle is loose.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the punch.
- Ensure your work area is clean, welllit, and free from clutter to prevent accidents.

Specific Safety Precautions for Use

- Use the punch only on roll or spring pins; do not use it for any other tasks.
- Always hold the punch securely by the knurled handle to maintain control during use.
- Position your hand and fingers away from the striking area to avoid injury.
- Do not apply excessive force when using the punch; if resistance is met, reassess the situation.
- If the punch slips, stop using it immediately and evaluate the situation to prevent injury.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure the area is clean and free from distractions.

2. Using the Punch:

- Select the appropriate size of the punch for the roll pin you are working with.
- Align the punch with the center of the roll pin.
- Hold the punch firmly and strike the end of the handle gently with a hammer to start the removal process.
- Continue to apply controlled strikes until the pin is removed.

3. PostUse Care:

- Clean the punch after use to remove any debris or residue.
- Store the punch in a dry place to prevent rust and damage.
- Regularly inspect the punch for any signs of wear or damage before future use.

Disposal Instructions

- Dispose of the punch in accordance with local regulations.
- If the punch is damaged beyond repair, consider recycling the steel components where possible.
- Do not dispose of the punch in regular household waste.

Contact Information for Further Support

For any safety inquiries or support regarding the ROLL PIN STARTER PUNCHES, please contact the manufacturer or visit their website for more information.

Important Note: This guide is provided to ensure your safety and the effective use of the ROLL PIN STARTER PUNCHES. Always prioritize safety and adhere to the guidelines provided in this document.
