

# ROLL PIN STARTER PUNCHES - BROWNELLS STANDARD ROLL PIN STARTER PUNCH, #4, 1/8"

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Punches](#)

## Start Roll Pins Without Damage

Start the removal of roll or spring pins without causing damage to the pins or the punch. Short shaft starter punch gives you more control by putting your hand closer to the pin and keeps you from bending longer finishing roll pin punches. Made from solid steel, with parallel-ground shanks and knurled handles.

# Safety Instruction Guide for ROLL PIN STARTER PUNCHES BROWNELLS #4 ROLL PIN STARTER PUNCH 1/8"

## Introduction

Thank you for choosing the ROLL PIN STARTER PUNCHES BROWNELLS #4 ROLL PIN STARTER PUNCH 1/8". This tool is designed to assist you in the safe removal of roll or spring pins while preventing damage to the pins or the punch itself. Please read this safety instruction guide thoroughly to ensure proper and safe usage of the product.

## General Safety Guidelines

- Always use the roll pin starter punch in accordance with the manufacturer's instructions.
- Ensure that the work area is clean and free from any obstructions.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, to protect against flying debris.
- Keep the tool away from children and unauthorized users.
- Regularly inspect the tool for any signs of wear or damage before use.
- Do not use the punch for purposes other than those intended.

## Specific Safety Precautions for Use

- **Hazard Identification:** Potential hazards include pinching, injury from flying debris, or damage to the workpiece.
- **Avoiding Hazards:**
  - Always ensure your hands are clear of the punch path when striking.
  - Use a stable surface to prevent slipping during use.
  - Do not apply excessive force; if the punch does not move the pin, reassess the situation.
- **Age Restrictions:** This tool is not intended for use by individuals under the age of 18. Ensure adult supervision if younger users are present.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure the roll pin starter punch is clean and free from rust or debris.

### 2. Usage Instructions:

- Position the roll pin starter punch at the end of the roll or spring pin you wish to remove.
- Hold the punch firmly with one hand, ensuring your fingers are clear of the striking area.
- With your other hand, use a hammer to gently tap the punch, applying steady pressure.
- Continue tapping until the pin begins to move. If resistance is met, stop and reassess.
- Once the pin is removed, clean the area to prevent any leftover debris from causing future issues.

### 3. Post Use:

- After using the punch, clean it with a dry cloth to remove any residue.
- Store the punch in a safe, dry place away from children.

## **Disposal Instructions**

- Dispose of any damaged or worn tools responsibly. Check local regulations for proper disposal methods.
- Do not dispose of the tool in regular household waste if it is still functional. Consider recycling options where available.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the ROLL PIN STARTER PUNCHES BROWNELLS #4 ROLL PIN STARTER PUNCH 1/8", please refer to the manufacturer's website or contact customer service directly.

By following these guidelines and instructions, you can ensure the safe and effective use of your roll pin starter punch. Thank you for prioritizing safety.
