

ROLL PIN STARTER PUNCHES - BROWNEllS STANDARD ROLL PIN STARTER PUNCH, #6, 3/16"

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Punches](#)

Start Roll Pins Without Damage

Start the removal of roll or spring pins without causing damage to the pins or the punch. Short shaft starter punch gives you more control by putting your hand closer to the pin and keeps you from bending longer finishing roll pin punches. Made from solid steel, with parallel-ground shanks and knurled handles.

Safety Instruction Guide for ROLL PIN STARTER PUNCHES BROWNELLS #6 ROLL PIN STARTER PUNCH 3/16"

Introduction

Thank you for choosing the ROLL PIN STARTER PUNCHES BROWNELLS #6 ROLL PIN STARTER PUNCH 3/16". This tool is designed to assist in the safe removal of roll or spring pins without causing damage to the pins or the punch itself. This guide provides essential safety instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Always read and understand all safety instructions before using the product.
- Ensure that the workspace is clean, welllit, and free from distractions.
- Keep the tool out of reach of children and vulnerable individuals.
- Regularly inspect the tool for any signs of wear or damage before use.
- Do not use the tool for any purpose other than its intended use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the tool.
- Ensure that the roll or spring pin is securely held in place before attempting removal.
- Avoid applying excessive force when using the punch to prevent damage or injury.
- Do not use the punch if it is damaged or if the handle is loose.
- Always use the correct size punch for the specific roll or spring pin being removed.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including the ROLL PIN STARTER PUNCH and any required PPE.
- Ensure that the work area is organized and free of hazards.

2. Using the Punch:

- Select the appropriate size punch from the kit. The kit includes sizes: #1 (1/16"), #2 (5/64"), #3 (3/32"), #4 (1/8"), #5 (5/32"), #6 (3/16"), and #7 (7/32").
- Position the punch over the roll or spring pin, ensuring it is aligned correctly.
- Firmly grasp the knurled handle of the punch for better control.
- Gently tap the punch with a hammer to start the removal of the pin. Avoid excessive force.
- Once the pin is loosened, continue to tap lightly until it is fully removed.

3. PostUse Care:

- Clean the punch after use to remove any debris or residue.
- Store the punch in a safe place, away from children and potential hazards.

Disposal Instructions

- Dispose of any damaged or wornout punches in accordance with local regulations.
- Do not dispose of the punch in general waste if it is still in usable condition; consider donating it to a local tool library or community workshop.

Contact Information for Further Support

For inquiries related to safety, usage, or any concerns about the ROLL PIN STARTER PUNCHES BROWNELLS #6 ROLL PIN STARTER PUNCH 3/16", please refer to the manufacturer's official contact points or website.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your ROLL PIN STARTER PUNCHES BROWNELLS #6 ROLL PIN STARTER PUNCH 3/16". Thank you for your attention to safety and proper tool usage.
