## CHROME SILICON MAGAZINE SPRING FOR GLOCK® 17/17L 3PK

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Springs](#)

### Consistent Delivery Of Every Round

Chrome silicon springs deliver consistent pressure and reliable feeding of every round in high-capacity magazines. Many continue to set and weaken over time, eventually failing to feed all the rounds in the mag and require replacement. Quality springs, like our chrome silicon springs, take an initial set (all springs do) then stabilize for long service life. Models for Glock® 17/17-L - 17 & 19 rds, Glock® 19 - 15 & 17 rds.

# CHROME SILICON MAGAZINE SPRINGS for GLOCK® Safety Instructions

## Introduction

Thank you for choosing the CHROME SILICON MAGAZINE SPRINGS for GLOCK®. This product is designed to enhance the performance and reliability of your Glock® magazines. Please read these safety instructions carefully to ensure safe and effective use of this product.

## General Safety Guidelines

- Ensure that the product is compatible with your specific Glock® model.
- Always handle firearms and ammunition with care and in accordance with local laws and regulations.
- Store the springs in a cool, dry place away from direct sunlight and moisture.
- Regularly inspect the springs for signs of wear or damage before use.
- Use only highquality, compatible magazines with these springs to ensure safe operation.
- Keep the springs out of reach of children and unauthorized users.

## Specific Safety Precautions for Use

- Do not overload the magazine beyond its specified capacity.
- Avoid using damaged or wornout springs, as they may fail to function correctly.
- Be aware of the potential for springs to become dislodged during installation or use; always wear safety goggles when handling.
- Ensure that the magazine is properly seated in the firearm before firing.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the magazine from the firearm.
- Disassemble the magazine according to the manufacturer's instructions.
- Carefully remove the old spring from the magazine.
- Insert the new chrome silicon spring into the magazine, ensuring it is properly seated.
- Reassemble the magazine, following the manufacturer's guidelines.
- Inspect the magazine to ensure it is functioning correctly before use.

### 2. Usage

- Load the magazine according to its capacity specifications.
- Always check that the magazine is securely attached to the firearm before use.
- Practice safe handling and shooting techniques at all times.

## Disposal Instructions

- Dispose of used or damaged springs in accordance with local regulations.
- Do not dispose of springs in regular household waste; contact local waste management for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the CHROME SILICON MAGAZINE SPRINGS for GLOCK®, please refer to your local dealer or manufacturer's website for assistance.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your CHROME SILICON MAGAZINE SPRINGS for GLOCK®. Always prioritize safety and compliance with local laws when handling firearms and related products. Thank you for your attention to these important safety guidelines.
