

# SCREW HEAD POLISHING/PIN VISE - BROWNELLS SCREW HEAD POLISHING/PIN VISE

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Vises & Accessories](#) > [Pin Vises](#)

## No More Burnt Fingers Or Lost Screws & Pins

Steel vise securely holds screws and pins in place during polishing to prevent them from flying into the far corners of your shop. Knurled collar tightens evenly, without crushing.

# SCREW HEAD POLISHING/PIN VISE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the SCREW HEAD POLISHING/PIN VISE by BROWNELLS. This manual provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read all instructions carefully before use.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage. Do not use if damaged.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the vise.
- Store the vise in a dry and secure location when not in use.

## Specific Safety Precautions for Use

- Only use the vise with screws and pins that are compatible with its size and design.
- Ensure the knurled collar is tightened securely before starting any polishing work to prevent slipping.
- Do not exceed the recommended torque when tightening screws or pins in the vise.
- Avoid placing fingers or hands near the polishing area while in use to prevent injury.
- Do not leave the vise unattended while in use, and always supervise its use by others.

## Instructions for Installation and Usage

### 1. Installation:

- Select a stable work surface for the vise.
- Ensure the surface is clean and free from debris.
- Place the vise securely on the work surface. If necessary, use clamps to hold it in place.

### 2. Usage:

- Insert the screw or pin into the vise, ensuring it is centered.
- Turn the knurled collar clockwise to tighten the vise securely around the screw or pin.
- Once secured, use appropriate polishing tools or materials to polish the screw or pin.
- After completing the polishing, carefully loosen the knurled collar and remove the screw or pin from the vise.

## Disposal Instructions

- Dispose of the product responsibly, following local regulations for metal and plastic waste.
- If the product is damaged beyond repair, ensure that it is rendered unusable before disposal.

## Contact Information for Further Support

For further assistance or inquiries regarding product safety, please refer to the contact information provided in the product packaging or visit the manufacturer's website.

## **Reporting Unsafe Products**

If you encounter any unsafe products or experience accidents, please report them to the relevant authorities. Stay informed about recall updates by checking the EU's Safety Gate platform.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and effective experience with your SCREW HEAD POLISHING/PIN VISE.
