## Safety Instructions

### Introduction

Thank you for choosing the SA Revolver DoubleEnd Base Pin Puller. This robust tool is designed to provide you with the length and leverage needed to remove stubborn base pins from your revolvers without damaging the frame. This safety instruction guide will help you understand how to use the tool safely and effectively while complying with the EU General Product Safety Regulation (GPSR).

### General Safety Guidelines

- Ensure safe use of the tool by following all instructions provided in this guide.
- Be aware of the potential hazards associated with using the tool, including pin removal and handling of firearms.
- Always keep the tool out of reach of children and vulnerable individuals.
- Regularly check for updates on product recalls or safety alerts on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

### Specific Safety Precautions for Use

- Before using the tool, make sure the firearm is unloaded and the chamber is clear.
- Always wear appropriate safety gear, such as safety glasses, when using the tool.
- Do not use excessive force when removing pins to avoid damaging the tool or the firearm.
- Inspect the tool for any signs of damage before each use. Do not use if damaged.
- Use the tool only for its intended purpose – removing base pins from Ruger and Colt revolvers.
- Keep hands and other body parts clear of the tool's working area while in use.
- Store the tool in a safe, dry place when not in use to prevent damage and ensure safety.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the firearm is unloaded and the area is clear of any obstacles.
- Gather all necessary tools and safety equipment.

#### 2. Using the Tool:

- Identify the base pin you wish to remove on your revolver.
- Select the appropriate end of the tool (Ruger or Colt) based on the revolver model.
- Position the tool over the base pin, ensuring a secure fit.
- Gently apply pressure to the tool to begin removing the pin. Use steady, controlled movements.
- If the pin is resistant, do not force it. Assess the situation and ensure the tool is correctly aligned.
- Once the pin is removed, set it aside in a safe location.

#### 3. PostUsage:

- After use, clean the tool with a dry cloth to remove any debris or residue.
- Store the tool securely to prevent accidental injury or damage.

## Disposal Instructions

- Do not dispose of the tool in regular household waste.
- If the tool is damaged beyond repair, please follow local regulations for disposal of metal tools.
- Consider recycling the tool if possible, as it is made of steel.

## Contact Information for Further Support

For any questions or concerns regarding the SA Revolver DoubleEnd Base Pin Puller, please refer to your local retailer or authorized distributor for assistance. Always ensure that you have the latest safety information and product updates.

Thank you for prioritizing safety while using the SA Revolver DoubleEnd Base Pin Puller. Your adherence to these guidelines helps ensure a safe and effective experience.
