

CAR-15/M4 LOW-PROFILE AMBIDEXTROUS SLING ADAPTER - BROWNELLS LOW-PROFILE SLING ADAPTER

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

Compact, Slimline Design Won't Snag On Brush Or Clothing

Steel sling adapter features a unique slot/hole configuration that keeps the plate as slim and compact as possible to help eliminate snags on brush and your BDUs when carrying rifles with collapsible stocks. Accepts both 1¼" wide webbing and single-point clip-on tactical slings. Move the sling from one side of the receiver to the other or swap it for a different one in seconds. Provides plenty of clearance for forward assist and easy access for clearing jams. Replaces factory receiver plate without gunsmithing.

CAR15/M4 LowProfile Ambidextrous Sling Adapter Safety Instructions

Introduction

Thank you for choosing the CAR15/M4 LowProfile Ambidextrous Sling Adapter by Brownells. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the sling adapter correctly and safely.

General Safety Guidelines

- Always ensure that the firearm is unloaded before attaching or detaching the sling adapter.
- Use the sling adapter only with compatible firearms, specifically the CAR15/M4 and collapsiblestocked AR15 rifles.
- Regularly inspect the sling adapter for any signs of wear or damage before each use.
- Ensure that the sling is properly secured to avoid accidental detachment during use.
- Keep the sling adapter out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit of the sling adapter.
- Avoid using the sling adapter in adverse weather conditions that may affect its performance.
- Ensure that the sling is not tangled or obstructed during use to prevent snags.
- If the sling adapter becomes damaged, discontinue use immediately and replace it.
- When transitioning the sling from one side of the receiver to the other, ensure that the firearm is pointed in a safe direction.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing receiver plate if applicable.
- Align the sling adapter with the receiver and insert the mounting hardware.
- Tighten the hardware securely, ensuring that the adapter is firmly attached.

2. Usage:

- Attach the sling to the designated slots on the sling adapter.
- Adjust the length of the sling to ensure proper fit and comfort.
- To move the sling from one side of the receiver to the other, simply detach and reattach as needed, ensuring the firearm is always pointed in a safe direction.
- Regularly check the attachment points during use to ensure they remain secure.

Disposal Instructions

- Dispose of the sling adapter in accordance with local regulations.
- Do not dispose of the sling adapter in regular household waste if it is damaged or no longer usable.
- Contact your local waste management authority for guidance on disposal of firearm accessories.

Contact Information for Further Support

For any safety inquiries or concerns regarding the CAR15/M4 LowProfile Ambidextrous Sling Adapter, please reach out to your local retailer or manufacturer. Ensure that all questions regarding safety, installation, and usage are addressed before proceeding with use.

Thank you for prioritizing safety while using the CAR15/M4 LowProfile Ambidextrous Sling Adapter. Enjoy your shooting experience responsibly!
