

# PISTOL SCREWDRIVER SETS for GLOCK® - BROWNELLS SCREWDRIVER SET FOR GLOCK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Screwdrivers & Sets](#) > [Magna-Tip Bit Sets](#)

## Self-Storing, Carry Along For 'Smiths & Shooters

On the bench or in the field, you'll have the right screwdrivers for your gun in one compact, go-anywhere package. We precisely matched each gun's screws to the correct Magna-Tip® bits to give you the best possible, blade-to-slot fit. Except where indicated otherwise, each set comes with a magnetic socket, Hollow Handle for easy, on-board storage of the bits. Two takedown bits for pistol itself and magazine, plus three bits and a .050" Allen wrench for adjustable aftermarket sights.

# PISTOL SCREWDRIVER SETS for GLOCK® Safety Instruction Guide

## Introduction

Thank you for choosing the PISTOL SCREWDRIVER SETS for GLOCK®. This guide provides important safety information and instructions to ensure the safe use of your screwdriver set. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the screwdriver set is used only for its intended purpose, which is to work with GLOCK® firearms and compatible models.
- Always use the correct screwdriver bit for the specific screw to avoid damaging the screw or the tool.
- Keep the screwdriver set out of reach of children and unauthorized users.
- Inspect the screwdriver set before use. Do not use if any parts are damaged or missing.
- Follow all local laws and regulations regarding the use of firearms and tools.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment, such as safety glasses, when using the screwdriver set.
- Ensure the firearm is unloaded and pointed in a safe direction before attempting any maintenance.
- Do not force the screwdriver into screws; if resistance is felt, check for crossthreading or misalignment.
- Store the screwdriver set in a dry place to prevent rust and deterioration of the bits and handle.
- Do not use the screwdriver set for any purpose other than its intended use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe working condition.
- Gather the necessary tools and materials, including the screwdriver set.

### 2. Selecting the Right Bit:

- Identify the type of screw you will be working with.
- Choose the corresponding MagnaTip® bit from the set.

### 3. Using the Screwdriver:

- Insert the selected bit into the magnetic socket of the screwdriver.
- Align the bit with the screw and apply gentle pressure while turning the handle.
- If you need to remove a screw, turn it counterclockwise until it is free.

### 4. Takedown and Adjustments:

- Use the provided takedown bits for disassembling the pistol and magazine.
- Use the .050" Allen wrench for adjusting aftermarket sights as needed.

### 5. Storage:

- After use, clean the bits and handle to remove any debris or residue.
- Place the bits back into the Hollow Handle for safe storage.

## **Disposal Instructions**

- Dispose of the screwdriver set responsibly and in accordance with local regulations.
- If the screwdriver set is damaged beyond repair, consider recycling the metal components where applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety or use of the PISTOL SCREWDRIVER SETS for GLOCK®, please refer to the manufacturer's contact information provided with the product packaging.

By following these guidelines, you can ensure a safe and effective experience with your PISTOL SCREWDRIVER SETS for GLOCK®. Thank you for your attention to safety.
