MODULAR GAS BLOCK LUG SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Modular Gas Block Lug for your AR15. This guide provides essential safety instructions and guidelines to ensure the safe installation and use of this product. Please read and understand all instructions before proceeding.

General Safety Guidelines

- Ensure that the Modular Gas Block Lug is compatible with your AR15 model before installation.
- Always handle firearms safely and responsibly.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Do not use the product if it appears damaged or compromised in any way.
- Report any unsafe product incidents or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use the Modular Gas Block Lug with the specified Brownells Modular Gas Block (#080000382).
- Use an appropriate Allen wrench for installation and removal; do not use excessive force.
- Ensure the firearm is unloaded before beginning installation or removal of the gas block lug.
- Avoid using the product in conditions that may cause undue stress or damage to the lug or firearm.
- If you are unsure about the installation or compatibility, consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure your firearm is unloaded and safe to handle.
- Gather necessary tools, including an Allen wrench (not included).

2. Installation

- Locate the Modular Gas Block on your AR15.
- Align the Modular Gas Block Lug with the mounting holes on the gas block.
- Insert the mounting screws (included) through the lug into the gas block.
- Use the Allen wrench to tighten the screws securely, ensuring they are snug but not overtightened.

3. Usage

- Once installed, you can attach a milspec bayonet or lugmounted bipod as needed.
- Regularly check the attachment to ensure it remains secure during use.

4. Removal

- To remove the Modular Gas Block Lug, use the Allen wrench to unscrew the mounting screws.
- Carefully detach the lug from the gas block.

Disposal Instructions

- Dispose of the product in accordance with local regulations.

- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any inquiries or concerns regarding the Modular Gas Block Lug, please reach out to your retailer or manufacturer. Ensure you have the product details ready for reference.

Please follow these guidelines to ensure the safe use of your Modular Gas Block Lug. Your safety and satisfaction are our top priorities. Thank you for your attention to these important safety instructions.
