

# BROWNING AUTO-5 SCREWDRIVER SET - BROWNELLS MAGNA-TIP 5 PIECE SCREWDRIVER SET FOR BROWNING AUTO

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Screwdrivers & Sets](#) > [Magna-Tip Sets](#)

## Self-Storing, Carry Along For 'Smiths & Shooters

On the bench or in the field, you'll have the right screwdrivers for your gun in one compact, go-anywhere package. We precisely matched each gun's screws to the correct Magna-Tip® bits to give you the best possible, blade-to-slot fit. Except where indicated otherwise, each set comes with a magnetic socket, Hollow Handle for easy, on-board storage of the bits. Four, slotted, thin bits precisely matched to fit all the Auto-5's external screws.

# BROWNING AUTO5 SCREWDRIVER SET SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Browning Auto5 Screwdriver Set from Brownells. This guide provides essential safety instructions and usage guidelines to ensure your safe and effective use of this product. Please read this document carefully before using the screwdriver set.

## General Safety Guidelines

- Always use the screwdriver set as intended and follow the instructions provided.
- Keep the screwdriver set out of reach of children and vulnerable individuals.
- Inspect the screwdriver set before each use to ensure it is in good condition.
- Do not use damaged or worn bits, handles, or any other components.
- Be aware of your surroundings while using the screwdriver set, and ensure a stable working environment.
- Avoid distractions while using the tool to maintain focus and prevent accidents.
- Store the screwdriver set in a dry place to prevent rust and deterioration.

## Specific Safety Precautions for Use

- Use the correct size and type of screwdriver bit for the screws you are working with to avoid slipping or damaging the screw.
- Do not apply excessive force when using the screwdriver to prevent stripping the screw or damaging the tool.
- Always ensure the screwdriver bit is securely attached to the handle before use.
- Avoid using the screwdriver set for purposes other than its intended use, such as prying or hammering.
- If you experience any discomfort or pain while using the screwdriver set, stop using it immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Selecting the Right Bit

- Choose the appropriate MagnaTip® bit that matches the screw type you will be working with.

### 2. Attaching the Bit

- Insert the selected bit into the magnetic socket at the end of the screwdriver handle.
- Ensure the bit is fully seated and securely attached.

### 3. Using the Screwdriver

- Hold the handle firmly and position the bit over the screw.
- Apply gentle pressure while turning the screwdriver in the appropriate direction (clockwise to tighten, counterclockwise to loosen).
- If the screw does not turn, stop and reassess the situation before applying additional force.

### 4. Storing the Screwdriver Set

- After use, clean the screwdriver bits and handle if necessary.
- Store the screwdriver set in its designated case or a dry, secure location to prevent loss or damage.

## **Disposal Instructions**

- Dispose of the screwdriver set responsibly in accordance with local regulations.
- If the screwdriver set is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the screwdriver set in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Browning Auto5 Screwdriver Set, please reach out to the designated EU contact point provided on the packaging or product documentation.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Browning Auto5 Screwdriver Set. Always prioritize safety and do not hesitate to seek assistance if needed. Thank you for your attention to these important safety measures.
