

BROWNING AUTO-5 SCREWDRIVER SET - BROWNELLS MAGNA-TIP 4 PIECE SET OF BITS FOR BROWNING AUTO

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Screwdrivers & Sets](#) > [Magna-Tip Sets](#)

Self-Storing, Carry Along For 'Smiths & Shooters

On the bench or in the field, you'll have the right screwdrivers for your gun in one compact, go-anywhere package. We precisely matched each gun's screws to the correct Magna-Tip® bits to give you the best possible, blade-to-slot fit. Except where indicated otherwise, each set comes with a magnetic socket, Hollow Handle for easy, on-board storage of the bits. Four, slotted, thin bits precisely matched to fit all the Auto-5's external screws.

BROWNING AUTO5 SCREWDRIVER SET SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Browning Auto5 Screwdriver Set. This guide provides essential safety instructions and usage guidelines to ensure your safe and effective use of this product. Please read this manual carefully before using the screwdriver set.

General Safety Guidelines

- Ensure that you are using the screwdriver set in a welllit and stable environment.
- Always inspect the screwdriver bits and handles for any signs of damage before use.
- Keep the screwdriver set out of reach of children and vulnerable individuals to prevent accidents.
- Use the screwdriver set only for its intended purpose, which is to work with the screws of the Browning Auto5 firearm.
- If you experience any discomfort or injury while using the screwdriver set, discontinue use immediately and seek medical advice.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The screwdriver bits are sharp and can cause injury if not handled properly.
- Using the wrong bit for a screw can damage the screw or the bit, leading to potential accidents.

- **Avoiding Hazards:**

- Always select the correct MagnaTip® bit that matches the screw you are working with.
- Do not apply excessive force when using the screwdriver, as this can lead to slips or breakage.
- Ensure that your hands are dry and free from any substances that could cause slippage while using the screwdriver.

- **AgeSpecific Warnings:**

- This product is not intended for use by children. Ensure that only adults or responsible individuals use the screwdriver set.

Instructions for Installation and Usage

- **Before Use:**

- Verify that all parts of the screwdriver set are included and in good condition.
- Familiarize yourself with the different bits and their respective uses.

- **Using the Screwdriver Set:**

1. Select the appropriate MagnaTip® bit for the screw you intend to work on.
2. Insert the selected bit into the magnetic socket of the screwdriver handle.
3. Firmly grip the handle and position the bit over the screw head.
4. Turn the screwdriver in a clockwise direction to tighten or counterclockwise to loosen the screw, applying steady pressure.
5. Once the screw is secured or removed, carefully detach the bit from the handle.

- **Storage:**

- After use, store the screwdriver set in a cool, dry place, preferably in its original packaging or a designated storage container.
- Ensure that the bits are stored securely to avoid loss or damage.

Disposal Instructions

- Dispose of the screwdriver set in accordance with local regulations for electronic and metal waste.
- If the screwdriver set is no longer functional or safe to use, consider recycling the materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the Browning Auto5 Screwdriver Set, please refer to the product packaging for the appropriate contact information. It is essential to have access to support for safety inquiries or productrelated issues.

By following these safety instructions, you can ensure a safe and effective experience with your Browning Auto5 Screwdriver Set. Thank you for your attention to safety and proper usage.
