

PISTOL SCREWDRIVER SETS for GLOCK® - BROWNELLS SCREWDRIVER BITS ONLY FOR GLOCK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Screwdrivers & Sets](#) > [Magna-Tip Bit Sets](#)

Self-Storing, Carry Along For 'Smiths & Shooters

On the bench or in the field, you'll have the right screwdrivers for your gun in one compact, go-anywhere package. We precisely matched each gun's screws to the correct Magna-Tip® bits to give you the best possible, blade-to-slot fit. Except where indicated otherwise, each set comes with a magnetic socket, Hollow Handle for easy, on-board storage of the bits. Two takedown bits for pistol itself and magazine, plus three bits and a .050" Allen wrench for adjustable aftermarket sights.

PISTOL SCREWDRIVER SETS for GLOCK® Safety Instruction Guide

Introduction

Thank you for choosing the PISTOL SCREWDRIVER SETS for GLOCK® by BROWNELLS. This guide provides essential safety instructions to ensure the safe use of your screwdriver set. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure safe use of the screwdriver set by following these guidelines:
 - Always inspect the screwdriver bits for damage before use.
 - Use the correct bit for the specific screw type to avoid stripping or damaging the screw.
 - Keep the screwdriver set out of reach of children to prevent accidents.
 - Always store the screwdriver set in a dry place to prevent rusting or corrosion.
 - Do not use the screwdriver set for any purpose other than intended.

Specific Safety Precautions for Use

- When using the screwdriver set, please adhere to the following precautions:
 - Wear safety goggles to protect your eyes from debris.
 - Ensure that your hands are dry and free from oils or lubricants to maintain a firm grip.
 - Avoid using excessive force when turning screws to prevent slipping and potential injury.
 - Do not attempt to modify or alter the screwdriver bits or handles.
 - If you experience any pain or discomfort while using the tool, stop immediately and consult a professional.

Instructions for Installation and Usage

- Follow these steps for proper installation and use of your screwdriver set:

1. Selecting the Correct Bit:

- Identify the type of screw you will be working with.
- Choose the corresponding MagnaTip® bit from the set.

2. Attaching the Bit:

- Insert the chosen bit into the magnetic socket of the screwdriver handle.
- Ensure that the bit is securely attached before use.

3. Using the Screwdriver:

- Hold the screwdriver firmly by the grip.
- Align the bit with the screw head and apply gentle pressure.
- Turn the screwdriver clockwise to tighten or counterclockwise to loosen the screw.

4. Storing the Screwdriver Set:

- After use, remove the bit from the handle.
- Place the bits back into the Hollow Handle for safe storage.
- Keep the entire set in a clean and dry location.

Disposal Instructions

- Dispose of the screwdriver set responsibly:
 - If the screwdriver set is damaged beyond use, please dispose of it in accordance with local waste management regulations.
 - Do not dispose of the screwdriver set in household waste. Check for recycling options available in your area.

Contact Information for Further Support

- For any safety inquiries or further assistance regarding the PISTOL SCREWDRIVER SETS for GLOCK®, please consult the appropriate customer support channels provided by the retailer or manufacturer.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience while using the PISTOL SCREWDRIVER SETS for GLOCK®. Always prioritize safety and do not hesitate to seek help if needed. Thank you for your attention to these important guidelines.
