

# 1911 MAINTENANCE FIELD PACK - BROWNELLS FIELD MAINTENANCE PACK FOR 1911

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Gunsmithing Tool Kits](#)

## Complete, Dedicated Kits For Field Repair & Maintenance Of Tactical Weapons

This compact, model-specific field maintenance pack is designed for servicing combat weapons and, provide the soldier or law enforcement personnel with all the tools required to field strip, repair, and maintain weapons while on the move. Not a run-of-the-mill cleaning kit, but carefully selected, high-quality field armorer tools dedicated to working on specific weapon types, so there is no confusion and no down time spent scrounging through a large field case of loose odds and ends. Individual pouches and compartments inside the water- and abrasion-resistant, denier Cordura case keep tools secure and separated to help minimize noise that could jeopardize your mission. Quiet, #9 YKK zippers with oversize pulls make it fast and easy to get tools in and out. Front panel features clear, I.D. card sleeve and loop strip for name tape. Includes two, nylon grab handles for easy carry. Made in the U.S.A. Field Pack Case also available separately. Keep your 1911 Auto in peak working order while out on patrol. Every tool has a purpose, and the complete kit allows full field stripping, so pistol can be properly cleaned, repaired, and parts replaced if needed.

# 1911 Maintenance Field Pack Safety Instructions

## Introduction

Thank you for choosing the 1911 Maintenance Field Pack by Brownells. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read the entire document carefully before using the pack.

## General Safety Guidelines

- Always handle tools with care to avoid injury.
- Ensure that the field pack is used only for its intended purpose, which is the maintenance of 1911 Auto firearms.
- Keep the maintenance pack out of reach of children and unauthorized users.
- Regularly inspect the tools for wear or damage before use. Do not use damaged tools.
- Store the field pack in a dry, cool place to prevent damage to the tools and materials.
- Follow all local laws and regulations regarding the maintenance and handling of firearms.

## Specific Safety Precautions for Use

- Use protective eyewear when using tools that may produce flying debris.
- Always ensure that the firearm is unloaded before performing maintenance.
- Be cautious when using sharp tools, such as the bushing driver bits and punches.
- Do not force tools; if a tool does not fit or work properly, stop and reassess the situation.
- Avoid distractions while performing maintenance tasks to ensure full attention is on the work being done.
- If you are unfamiliar with any tool or procedure, seek guidance from a qualified professional.

## Instructions for Installation and Usage

### 1. Preparing for Use

- Ensure that you have a clean, flat workspace.
- Gather all necessary tools from the field pack.
- Verify that the firearm is unloaded and pointed in a safe direction.

### 2. Using the Tools

- **Screwdriver Handle and Bits:** Select the appropriate bit for the screws you will be working with. Attach securely to the handle before use.
- **Grip Bushing Staker:** Use to secure grip bushings in place. Follow the manufacturer's instructions for proper use.
- **Lug Iron and Bushing Wrench:** Use these tools to adjust or remove the barrel bushing as needed.
- **Plunger Tube Crimper Kit:** Ensure proper alignment when crimping to avoid damage to the firearm.
- **Nylon/Brass Hammer:** Use for tapping without damaging the firearm's finish.
- **Nylon Punches:** Use these for driving pins or other components without scratching the surface.
- **Bench Block:** Use this to stabilize the firearm while performing maintenance tasks.

### 3. PostUse Care

- Clean all tools after use to ensure longevity.
- Store tools in their designated compartments within the field pack.
- Inspect the pack and tools for any signs of damage or wear before the next use.

## **Disposal Instructions**

- Dispose of any damaged tools in accordance with local regulations.
- If the field pack itself is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of tools or materials in a manner that could pose a risk to others or the environment.

## **Contact Information for Further Support**

For any inquiries related to safety or product use, please refer to the contact information provided on the product packaging or through the official website.

Thank you for your attention to these safety guidelines. Your safety and the effective use of the 1911 Maintenance Field Pack are our top priorities.
