

M16/M4 MAINTENANCE FIELD PACK - BROWNELLS FIELD MAINTENANCE PACK FOR M16/M4

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Gunsmithing Tool Kits](#)

Complete, Dedicated Kits For Field Repair & Maintenance Of Tactical Weapons

This compact, model-specific field maintenance pack is designed for servicing combat weapons and, provide the soldier or law enforcement personnel with all the tools required to field strip, repair, and maintain weapons while on the move. Not a run-of-the-mill cleaning kit, but carefully selected, high-quality field armorer tools dedicated to working on specific weapon types, so there is no confusion and no down time spent scrounging through a large field case of loose odds and ends. Individual pouches and compartments inside the water- and abrasion-resistant, denier Cordura case keep tools secure and separated to help minimize noise that could jeopardize your mission. Quiet, #9 YKK zippers with oversize pulls make it fast and easy to get tools in and out. Front panel features clear, I.D. card sleeve and loop strip for name tape. Includes two, nylon grab handles for easy carry. Made in the U.S.A. Field Pack Case also available separately. The M16/M4 Field Pack allows complete weapon breakdown for routine maintenance and repair, plus includes tools for sight adjustments and field cleaning of the Colt M16/M4. Includes special tools for removal of barrel nut, flash hider and lower receiver extension without damage to any rifle component.

M16/M4 Maintenance Field Pack Safety Instruction Guide

Introduction

Thank you for choosing the M16/M4 Maintenance Field Pack by Brownells. This guide provides essential safety instructions to help you use the product effectively while minimizing risks. Please read this guide carefully before use to ensure safe handling and maintenance of your equipment.

General Safety Guidelines

- Ensure that you are familiar with the operation of your M16/M4 firearm before using this maintenance pack.
- Always handle firearms with care, and follow all safety protocols related to firearms.
- Store the maintenance pack in a secure location, away from children and unauthorized users.
- Inspect the tools and equipment in the maintenance pack regularly for signs of wear or damage.
- Use the maintenance pack only for its intended purpose, which is servicing M16/M4 firearms.
- Follow local laws and regulations regarding firearm maintenance and use.
- Always wear appropriate personal protective equipment (PPE) when using tools, such as safety glasses and gloves.

Specific Safety Precautions for Use

- **Tool Handling:**
 - Always use the tools as intended. Do not use them for purposes other than firearm maintenance.
 - Keep tools away from your face and body when using them.
 - Ensure that tools are securely handled and that your grip is firm to prevent slipping.
- **Firearm Safety:**
 - Ensure the firearm is unloaded before starting any maintenance work.
 - Always point the firearm in a safe direction when handling.
 - Be aware of your surroundings to avoid accidents during maintenance.
- **Cleaning and Maintenance:**
 - Use cleaning solvents and lubricants in a wellventilated area.
 - Avoid skin contact with cleaning chemicals. If contact occurs, wash with soap and water immediately.
 - Store cleaning chemicals safely, away from children and pets.
- **Weight and Carrying:**
 - The maintenance pack weighs approximately 5 lb (2.3 kg). Ensure you can safely lift and carry this weight without strain.
 - Use the nylon grab handles to carry the pack securely.

Instructions for Installation and Usage

1. Unpacking the Maintenance Pack:

- Carefully open the maintenance pack and remove all tools.

- Inspect each tool for any signs of damage or wear.

2. Using the Tools:

- Refer to the product specifications for a list of included tools.
- For specific tasks, select the appropriate tool from the pack.
- Follow the manufacturer's instructions for each tool to ensure safe operation.

3. Field Stripping the Firearm:

- Follow the firearm's user manual for instructions on field stripping.
- Use the appropriate tools from the maintenance pack to assist with disassembly and reassembly.

4. Cleaning the Firearm:

- Use the buttstock cleaning kit for thorough cleaning.
- Follow proper cleaning techniques to avoid damaging the firearm.

5. Routine Maintenance:

- Regularly check and maintain your firearm using the tools provided in the maintenance pack.
- Perform sight adjustments and other maintenance as needed.

Disposal Instructions

- Dispose of any damaged or worn tools responsibly. Check local regulations for proper disposal methods.
- Dispose of cleaning solvents and chemicals according to local environmental regulations. Do not pour them down the drain or throw them in regular trash.
- Recycle the maintenance pack case if possible, following local recycling guidelines.

Contact Information for Further Support

For any inquiries or concerns regarding the M16/M4 Maintenance Field Pack, please consult the product documentation or contact your local dealer for assistance.

By following these safety instructions, you can ensure a safe and effective experience while using the M16/M4 Maintenance Field Pack. Thank you for prioritizing safety and responsible firearm maintenance.
