# AR15/M16/308 AR Handguard Removal Tool Safety Instruction Guide

## Introduction

Thank you for choosing the AR15/M16/308 AR Handguard Removal Tool by Brownells. This tool is designed to assist you in safely and efficiently removing ARtype handguards without the need for a second pair of hands. To ensure your safety and the proper use of this tool, please read and follow these safety instructions carefully.

## General Safety Guidelines

- **Product Safety:** This tool is designed to meet the safety standards for nonfood products in the EU. Always use it according to the instructions provided.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices regarding this product. If you receive a notice, follow the instructions provided.
- **Online Shopping:** Ensure that you purchase this tool from authorized retailers that comply with EU safety requirements.
- **Special Consumer Focus:** This tool is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on any unsafe products, including this tool.

## Specific Safety Precautions for Use

- Always inspect the tool before use. Do not use if damaged.
- Use the tool only for its intended purpose—removing ARtype handguards.
- Keep hands and other body parts clear of the delta ring during operation to avoid injury.
- Wear safety glasses to protect your eyes from potential debris.
- Ensure the firearm is unloaded and pointed in a safe direction before using the tool.
- Store the tool in a safe place, away from children and unauthorized users.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded.
- Remove any accessories that may obstruct the handguard removal.

### 2. Using the Tool:

- Insert the hooked end of the tool into the magazine well of the firearm.
- Position the handles of the tool over the delta ring.
- Firmly push down on the handles to compress the delta ring spring.
- While holding the delta ring compressed, gently pull the handguard away from the receiver.

### 3. PostUse:

- Carefully remove the tool from the firearm.
- Inspect the handguard and firearm for any damage.
- Store the tool in a safe location.

## **Disposal Instructions**

- Dispose of the tool in accordance with local regulations. If the tool is damaged or no longer usable, ensure that it is disposed of responsibly to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the AR15/M16/308 AR Handguard Removal Tool, please consult the retailer or manufacturer from whom you purchased the tool. They can provide you with specific guidance and support.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the AR15/M16/308 AR Handguard Removal Tool.
