

EXTRA-LARGE BENCH BLOCKS - BROWNELLS RIFLE BENCH BLOCK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Bench Blocks](#)

Large, 4" Diameter, Useable Surface Will Not Embed Or Mar

Extra size and weight helps keep these blocks where you put them and the big face eliminates much of the "balancing act" when you're driving pins. Cannot mar even the most highly polished surface. Two different models. Green - For rifles and shotguns; drilled with four through holes for easier pin removal and disassembly. Convenient, center "V" holds cylindrically shaped parts steady so they won't roll. Blue - For revolvers and pistols. Larger through holes and partial "V" holds pistol barrels for easier link pin installation and removal. Can be drilled or modified with hand tools; will not melt when machined.

Attributes

- Name: [BROWNELLS RIFLE BENCH BLOCK](#)
- Manufacturer: [BROWNELLS](#)

Safety Instruction Guide for EXTRALARGE BENCH BLOCKS BROWNELLS RIFLE BENCH BLOCK

Introduction

Thank you for choosing the EXTRALARGE BENCH BLOCKS BROWNELLS RIFLE BENCH BLOCK. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow these guidelines carefully to minimize risks and maximize the effectiveness of the bench blocks.

General Safety Guidelines

- Always use the bench blocks in a wellventilated area to avoid inhaling any dust or debris generated during use.
- Keep the bench blocks out of reach of children and vulnerable individuals to prevent accidents.
- Inspect the bench blocks for any signs of damage or wear before use. Do not use if damaged.
- Ensure that the work surface is stable and secure before using the bench blocks.
- Avoid using the bench blocks for purposes other than intended, as this may lead to accidents or injuries.

Specific Safety Precautions for Use

- When driving pins, ensure that your hands are clear of the area where the pins will be driven to avoid injury.
- Use appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes from flying debris.
- Do not apply excessive force when using the bench blocks, as this can lead to breakage or damage to the product.
- Keep the area around the bench blocks clean and organized to prevent tripping hazards.
- Avoid using the bench blocks near flammable materials or in explosive environments.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the bench blocks are clean and free from any debris.
- Select the appropriate model (Green for rifles and shotguns; Blue for revolvers and pistols) based on your needs.

2. Using the Bench Blocks:

- Place the bench block on a stable work surface.
- For the Green model, align your rifle or shotgun with the drilled holes to facilitate pin removal and disassembly.
- For the Blue model, position your pistol to utilize the larger through holes and partial "V" for easier link pin installation and removal.

3. Driving Pins:

- Hold the firearm securely while driving pins to ensure stability.
- Use a hammer or appropriate tool to drive pins into the bench block gently. Avoid excessive force.

4. PostUse:

- After use, clean the bench blocks with a damp cloth to remove any residues.

- Store the bench blocks in a dry place, away from direct sunlight and extreme temperatures.

Disposal Instructions

- Dispose of the bench blocks in accordance with local regulations regarding plastic waste.
- If the product is damaged beyond repair, ensure it is recycled properly to minimize environmental impact.

Contact Information for Further Support

For safety inquiries or further assistance, please contact the appropriate customer support or regulatory authority in your region. It is essential to have access to support should you encounter any issues or have concerns regarding the product.

Conclusion

By adhering to these safety instructions, you can ensure a safer experience while using the EXTRALARGE BENCH BLOCKS BROWNELLS RIFLE BENCH BLOCK. Always prioritize safety and follow local regulations regarding the use and disposal of products. Thank you for your attention to these important guidelines.
