

# EXTRA-LARGE BENCH BLOCKS - BROWNELLS PISTOL BENCH BLOCK

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Bench Blocks](#)

## Large, 4" Diameter, Useable Surface Will Not Embed Or Mar

Extra size and weight helps keep these blocks where you put them and the big face eliminates much of the "balancing act" when you're driving pins. Cannot mar even the most highly polished surface. Two different models. Green - For rifles and shotguns; drilled with four through holes for easier pin removal and disassembly. Convenient, center "V" holds cylindrically shaped parts steady so they won't roll. Blue - For revolvers and pistols. Larger through holes and partial "V" holds pistol barrels for easier link pin installation and removal. Can be drilled or modified with hand tools; will not melt when machined.

## Attributes

# Safety Instruction Guide for EXTRALARGE BENCH BLOCKS BROWNELLS PISTOL BENCH BLOCK

## Introduction

Thank you for choosing the EXTRALARGE BENCH BLOCKS BROWNELLS PISTOL BENCH BLOCK. This product is designed for safe and effective use when working on firearms. Please read this safety instruction guide carefully to ensure proper handling and to maximize your safety while using this product.

## General Safety Guidelines

- Ensure that the product is used in a welllit and clean environment to avoid accidents.
- Always inspect the bench block for any damage before use. Do not use if damaged.
- Keep the bench block out of reach of children and vulnerable individuals.
- Use the bench block only for its intended purpose as specified in this guide.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the bench block.
- Ensure that your work area is free from distractions and hazards.
- When driving pins, ensure that the bench block is stable and secure to prevent slipping.
- Do not apply excessive force when using tools on the bench block to avoid damaging the product or causing injury.
- Be cautious of sharp edges and pointed tools that may be used in conjunction with the bench block.

## Instructions for Installation and Usage

### 1. Preparation:

- Place the bench block on a stable, flat surface.
- Ensure that the area around the bench block is clear of obstructions.

### 2. Using the Green Model (for rifles and shotguns):

- Position the firearm securely on the bench block.
- Use the drilled holes for pin removal and disassembly as needed.
- Utilize the center "V" to hold cylindrical parts steady during work.

### 3. Using the Blue Model (for revolvers and pistols):

- Secure the pistol or revolver on the bench block.
- Use the larger through holes and partial "V" to hold the pistol barrel for link pin installation and removal.
- Follow the same precautions as outlined for the green model.

### 4. PostUse:

- Clean the bench block after use to maintain its condition.
- Store the bench block in a safe and dry location when not in use.

## **Disposal Instructions**

- Dispose of the bench block in accordance with local regulations.
- Do not incinerate or dispose of in regular household waste unless permitted by regulations.
- If the product is damaged beyond use, consider recycling materials where possible.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the EXTRALARGE BENCH BLOCKS BROWNELLS PISTOL BENCH BLOCK, please refer to the product packaging or your retailer for the appropriate support channels.

Thank you for your attention to these safety guidelines. Your safety is our priority.
