

308 AR LOWER RECEIVER VISE BLOCK - AR-STYLE .308 LOWER RECEIVER VISE BLOCK

[Gunsmith Tools & Supplies](#) > [Rifle Tools](#) > [Bench & Vise Blocks](#)

Protects Receiver From Damage When Clamping In Vise

Heavy-duty vise block takes all the clamping force, so your expensive lower receiver won't get scratched, distorted, or otherwise damaged. Insert block into the mag well, just like an ordinary magazine, then clamp the other end in your bench vise. The magazine catch locks to the block, safely and securely holding the rifle for assembly, disassembly, cleaning, or repair. Double-ended design fits ArmaLite® AR-10®, Bushmaster .308, DPMS Panther™ LR-308, and Remington R-25. Does not fit Rock River Arms lower receivers. Machined from rugged, durable, chemical-resistant Delrin® polymer; will not mar or scratch weapon's finish.

308 AR Lower Receiver Vise Block Safety Instructions

Introduction

Thank you for purchasing the 308 AR Lower Receiver Vise Block. This product is designed to securely hold your ARstyle .308 lower receiver during assembly, disassembly, cleaning, or repair. Please read and follow these safety instructions carefully to ensure safe and effective use of the vise block.

General Safety Guidelines

- Always handle firearms and firearm accessories with care and responsibility.
- Ensure the firearm is unloaded and the magazine is removed before using the vise block.
- Use the vise block only for its intended purpose as described in this manual.
- Keep the vise block out of reach of children and unauthorized users.
- Regularly inspect the vise block for signs of wear or damage; do not use if damaged.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the vise block is properly inserted into the magazine well before clamping.
- Do not exceed the clamping force of your bench vise; excessive force may damage the vise block or the firearm.
- Avoid placing fingers or hands near the clamping area while securing the vise block.
- Do not modify the vise block or use it in any manner not specified in this manual.
- Always work in a welllit area free from distractions while using the vise block.
- Wear appropriate safety gear, such as eye protection, when using tools or performing maintenance on your firearm.

Instructions for Installation and Usage

1. Inserting the Vise Block:

- Insert the vise block into the magazine well of your lower receiver, similar to how you would insert a magazine.
- Ensure that the block is fully seated and stable.

2. Securing the Vise Block:

- Position the other end of the vise block in your bench vise.
- Gently clamp the vise block in place, ensuring it is secure but not overly tightened.

3. Using the Vise Block:

- With the vise block securely in place, you can now proceed with assembly, disassembly, cleaning, or repair of your lower receiver.
- Always maintain control of the firearm and the vise block during use.

4. Removing the Vise Block:

- Once your work is complete, carefully release the clamp on the bench vise.
- Gently remove the vise block from the magazine well.

Disposal Instructions

- When the vise block reaches the end of its life cycle or is no longer needed, dispose of it in accordance with local regulations for plastic waste.
- Do not incinerate or dispose of the vise block in a manner that could cause environmental harm.

Contact Information for Further Support

For any safety inquiries or further assistance regarding this product, please contact the manufacturer or the retailer from whom you purchased the vise block. Ensure you have the product details ready for reference.

Thank you for following these safety instructions. Your safety and the safety of others is our priority. Enjoy using your 308 AR Lower Receiver Vise Block responsibly!
