

AR-15/M16 FLATTOP RISER - BROWNELLS AR-15/M16 FLATTOP RISER ASSEMBLY

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

Raises Optical Sights To Eye Level For Quick, Precise, Target Acquisition

Machined aluminum riser clamps to flattop AR-15 receiver to position primary optic sights at eye level. Raises mounting height .750" to eliminate the need for extra-high rings in most applications. True, MIL-STD 1913 Picatinny cut accepts both Picatinny and Weaver-style rings. Two, easy-to-grip, slotted hex nuts accept a U.S. quarter for extra tightening leverage; full-length clamping bar locks riser securely to flattop receiver for zero movement even during harsh tactical operations. Precision CNC machined to ensure an exceptionally secure lock on the receiver rail. Smooth, curved front and rear contours on the underside provide a streamlined appearance, reduce weight, and minimize the chance of catching on gear.

Attributes

- Name: [BROWNELLS AR-15/M16 FLATTOP RISER ASSEMBLY](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080000506
- Mfr. No.:
- Colour: Matte Black
- Material: Aluminum
- Number of Bases: 1-Piece
- Style: Picatinny
- Weapon type: AR-15
- Delivery weight: 0.159kg
- Shipping height: 58mm
- Shipping width: 64mm
- Shipping length: 170mm
- UPC: 050806111165

Safety Instruction Guide for AR15/M16 Flattop Riser Assembly

Introduction

Thank you for choosing the AR15/M16 Flattop Riser Assembly by Brownells. This guide provides essential safety instructions and usage information to ensure safe and effective use of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always inspect the product for any signs of damage or wear before use.
- Ensure that the riser is compatible with your specific AR15 model.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm accessories.
- Report any unsafe product performance or accidents to the appropriate authorities.
- Regularly check for updates on recalls or safety notices via the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure the firearm is unloaded before installing the riser.
- **Tightening:** Use the provided slotted hex nuts carefully. Overtightening may damage the product or the firearm.
- **Optic Placement:** Ensure that the optic sight is securely mounted and adjusted for proper alignment.
- **Weight Limit:** Be aware of the weight limit of the riser and do not exceed it with your optics.
- **Environmental Considerations:** Avoid using the riser in extreme weather conditions that may affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Ensure your AR15 is unloaded and pointed in a safe direction.
- Gather necessary tools, including a U.S. quarter for tightening.

2. Installation:

- Align the riser with the flattop receiver of your AR15.
- Place the fulllength clamping bar over the receiver rail.
- Insert the slotted hex nuts into their respective slots on the riser.
- Using the U.S. quarter, tighten the hex nuts until secure. Ensure there is no movement.

3. Mounting Optics:

- Attach your optic sight to the riser using compatible Picatinny or Weaverstyle rings.
- Adjust the optic to your preferred eye level and secure it according to the manufacturer's instructions.

4. Final Checks:

- Inspect the riser and optic for secure fitment.
- Conduct a function check of the firearm to ensure proper operation.

Disposal Instructions

- Dispose of the riser assembly in accordance with local regulations.
- If the product is damaged or no longer in use, consider recycling aluminum components where facilities are available.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the AR15/M16 Flattop Riser Assembly, please refer to your local regulations or contact your retailer for support.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the AR15/M16 Flattop Riser Assembly responsibly and safely.
