

# AR-15/M16 MAGAZINE COUPLER - BROWNELLS AR-15/M16 MAGAZINE COUPLER

[Home](#)

## Keeps A Spare Mag Ready For An Instant Reload

Tough, molded nylon magazine coupler binds a backup magazine directly to the mag in the gun for lightning fast tactical reloads without moving your trigger hand. Three, steel bolts let you adjust retention force, so the magazines won't slip out even during vigorous combat maneuvers. Side-by-side configuration with staggered heights, plus fixed standoff points between the compartments further ensure the magazines won't shift position or rattle. Includes a Top Round Protector (TRP) to protect the feed lips of the backup mag, prevent accidental dislodgement of the top round, and keep out dirt. TRP instantly detaches by applying downward thumb pressure on the release tab while pushing forward. Rubber retention strap keeps TRP from getting lost.

## Attributes

- Name: [BROWNELLS AR-15/M16 MAGAZINE COUPLER](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080000511
- Mfr. No.:
- Color: Black

# AR15/M16 Magazine Coupler Safety Instructions

## Introduction

Thank you for choosing the AR15/M16 Magazine Coupler by Brownells. This product is designed to enhance your tactical reloading capabilities while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before attaching or detaching the magazine coupler.
- Keep the magazine coupler out of reach of children and unauthorized users.
- Inspect the magazine coupler regularly for signs of wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding the use of firearm accessories.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

## Specific Safety Precautions for Use

- Ensure the magazine is properly secured in the coupler before use.
- Avoid using the magazine coupler in environments where it may be exposed to extreme temperatures or moisture.
- Do not force the magazines into the coupler; they should fit securely without excessive pressure.
- Use the Top Round Protector (TRP) as instructed to prevent accidental dislodgement of the top round.
- Always keep your finger off the trigger until you are ready to fire.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Magazines:** Ensure both magazines are unloaded and clean.
2. **Align the Magazines:** Position the backup magazine alongside the primary magazine.
3. **Attach the Coupler:**
  - Slide the magazine coupler over the magazines, ensuring that they are aligned correctly.
  - Secure the coupler using the three steel bolts. Adjust the retention force as necessary to prevent slipping.
4. **Check the Fit:** Ensure that the magazines are securely held in place by the coupler.

### Usage

1. **Reloading:**
  - When reloading, maintain a firm grip on the primary magazine.
  - Use your other hand to pull the backup magazine from the coupler when needed.
2. **Removing the TRP:**
  - To detach the Top Round Protector, apply downward thumb pressure on the release tab while pushing forward.
  - Ensure that the top round remains in place until you are ready to use it.

## Disposal Instructions

- Dispose of the magazine coupler in accordance with local waste management regulations.
- If the product is damaged beyond repair, ensure that it is rendered unusable before disposal.
- Recycle any components where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any safety inquiries or product support, please contact the manufacturer or refer to the product packaging for further details.

Thank you for prioritizing safety while using the AR15/M16 Magazine Coupler. Your adherence to these guidelines helps ensure a safe and effective experience.
