

AR-15/M16 TACTICAL TRIGGERGUARD - BROWNELLS AR-15/M16 TACTICAL TRIGGERGUARD

[Rifle Parts](#) > [Triggers Parts](#) > [Trigger Guards](#)

Fast, Unobstructed Access To Trigger; End Of Trigger Pinch

Oversized, drop-in replacement for factory triggerguard provides plenty of extra room to get your finger on the trigger quickly, even when you're wearing gloves. Comfortable, compound-curve shape helps prevent finger from being pinched between trigger pad and guard, while gently radiused edges protect finger from cuts or abrasions. Rugged, machined aluminum construction handles the abuse of intensive tactical operations. Installs easily using the original triggerguard's plunger, spring and roll pins; compatible with factory and aftermarket pistol grips. NO HARDWARE INCLUDED

Attributes

- Name: [BROWNELLS AR-15/M16 TACTICAL TRIGGERGUARD](#)

AR15/M16 Tactical Triggerguard Safety Instruction Guide

Introduction

Thank you for choosing the AR15/M16 Tactical Triggerguard by Brownells. This guide provides essential safety instructions, installation procedures, and maintenance tips to ensure the safe and effective use of your new triggerguard. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** Ensure the triggerguard is installed properly to avoid accidental discharge.
- **Enhanced Recalls:** Stay informed about any product recalls. Follow instructions provided in recall notices.
- **Online Shopping:** If purchased online, ensure the seller complies with safety requirements.
- **Special Consumer Focus:** Keep this product out of reach of children and ensure it is used by individuals who understand its operation.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU contact point.
- **Rapid Alerts:** Be aware of any updates regarding product safety through the Safety Gate system.

Specific Safety Precautions for Use

- **Installation:** Ensure the firearm is unloaded before beginning installation.
- **Finger Placement:** Be cautious of finger placement during use to avoid pinching.
- **Gloves:** If wearing gloves, ensure they do not interfere with trigger operation.
- **Inspection:** Regularly inspect the triggerguard for any signs of wear or damage.
- **Compatibility:** Verify that the triggerguard is compatible with your firearm's specifications.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: original triggerguard's plunger, spring, and roll pins.

2. Removal of Factory Triggerguard:

- Use appropriate tools to remove the existing triggerguard from the firearm.
- Carefully detach the plunger, spring, and roll pins for reuse.

3. Installation of Tactical Triggerguard:

- Align the new triggerguard with the lower receiver.
- Insert the original plunger, spring, and roll pins into the new triggerguard.
- Ensure all components are securely in place.

4. Final Check:

- Verify that the triggerguard is properly installed and functioning.
- Test the movement and fit of the trigger to ensure there are no obstructions.

Disposal Instructions

- **Disposal of Old Parts:** Dispose of the old triggerguard and any other components in accordance with local regulations.
- **Environmental Considerations:** Do not dispose of aluminum parts in regular trash. Check for recycling options in your area.

Contact Information for Further Support

For further information or assistance regarding the AR15/M16 Tactical Triggerguard, please refer to the appropriate channels for customer support. Ensure you have the product details ready for a more efficient response.

By following these guidelines, you can ensure the safe and effective use of the AR15/M16 Tactical Triggerguard. Thank you for your attention to safety.
