

1911 AUTO MAINSPRING HOUSING REBUILD KIT - 1911 MAINSPRING HOUSING REBUILD KIT BLUED

[Handgun Parts](#) > [Frame Parts](#) > [Mainspring Parts](#) > [Mainspring Refill Kits](#)

Helps Keep Your Pistol Running Reliably

Handy kit contains all the parts you need to mount a new mainspring housing on your 1911, or reburish the internal components to factory-new condition. Includes standard, factory weight (23 lb.) hammer spring to help ensure positive ignition and restore your pistol's reliability by replacing an old, weak spring. Also includes mainspring cap, cap pin, and retaining pin, so you don't ruin a good-looking new housing's appearance with old, dinged hardware. Kit available with blued or stainless external components to match your pistol's finish. Installation instructions included.

Consumer Safety Instruction Guide for the 1911 AUTO MAINSPRING HOUSING REBUILD KIT

Introduction

Thank you for purchasing the 1911 AUTO MAINSPRING HOUSING REBUILD KIT. This kit is designed to help you mount a new mainspring housing on your 1911 firearm or refurbish the internal components to factorynew condition. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that all components are compatible with your specific model of 1911 firearm.
- Always handle your firearm in a safe manner, following general firearm safety rules.
- Keep this kit and all its components out of reach of children and unauthorized individuals.
- Regularly inspect all parts for wear and damage before use.
- Report any unsafe products or incidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Use of this kit involves handling small parts which can pose choking hazards, especially for children.
- Improper installation can lead to malfunctioning of the firearm, potentially causing injury.

- **Avoiding Hazards:**

- Always ensure the firearm is unloaded before beginning any work.
- Use appropriate tools and follow the installation instructions carefully to avoid injury.
- Wear safety glasses to protect your eyes from small flying parts during installation.

- **AgeSpecific Warnings:**

- This kit is intended for use by individuals aged 18 and older. Ensure that younger individuals are supervised by a knowledgeable adult when handling this kit.

Instructions for Installation and Usage

1. Preparation:

- Ensure that you have a clean, welllit workspace.
- Gather all necessary tools as outlined in the installation instructions.

2. Installation Steps:

- Unload and clear your firearm.
- Remove the old mainspring housing and internal components if applicable.
- Install the new mainspring housing by following these steps:
 - Insert the mainspring cap into the housing.
 - Secure the cap pin in place.
 - Attach the mainspring housing retainer pin.

- Install the new hammer spring ensuring it is seated correctly.
- Verify that all components are properly installed and secured.

3. PostInstallation Check:

- Ensure that all parts are functioning correctly before using the firearm.
- Conduct a test to confirm that the mainspring housing is secure and that the hammer spring is providing the necessary tension.

4. Usage:

- After installation, regularly check the condition of the components during routine maintenance of your firearm.

Disposal Instructions

- Dispose of any old parts and packaging materials in accordance with local regulations.
- Do not dispose of firearm components in regular household waste if they contain hazardous materials. Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the 1911 AUTO MAINSPRING HOUSING REBUILD KIT, please refer to the manufacturer's contact points listed on the product packaging or documentation.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience while using the 1911 AUTO MAINSPRING HOUSING REBUILD KIT. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
