Safety Instruction Guide for AR15/M16 A2 Rifle Buffer Tube Assembly

Introduction

Thank you for purchasing the AR15/M16 A2 Rifle Buffer Tube Assembly from Brownells. This product is designed to enhance your rifle's performance and ensure a secure fit for your chosen buttstock. To ensure safe and effective use of this product, please read and follow the safety instructions and guidelines provided in this document.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always treat firearms and their components with care and respect.
- Store all components in a safe location, out of reach of children and unauthorized users.
- Regularly inspect your rifle and its components for signs of wear or damage.
- Only use parts that are compatible with your specific rifle model.
- Be aware of local laws and regulations regarding firearm modifications and use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:** Improper installation or use of the buffer tube assembly can lead to firearm malfunctions or accidents.
- **Avoiding Hazards:**
 - Always ensure that the rifle is unloaded before performing any installation or maintenance.
 - Use only the specified tools for installation to prevent damage to components.
 - Follow all safety procedures when handling firearms, including wearing appropriate eye and ear protection.
- **Age Restrictions:** This product is intended for use by individuals who are legally allowed to possess firearms. Ensure that only qualified adults handle and install this product.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components.
- Ensure you are working in a welllit area, free from distractions.
- Verify that the rifle is unloaded and the safety is engaged.

2. Installation Steps:

- Remove the existing buffer tube (if applicable) by unscrewing it from the lower receiver.
- Install the new receiver extension by threading it into the lower receiver until secure.
- Insert the A2 stock spacer as needed, ensuring it is properly seated.
- Attach the recoil buffer and spring according to the manufacturer's specifications.
- Secure the lock ring and receiver plate tightly to prevent movement during use.

3. Usage Guidelines:

- After installation, perform a function check to ensure proper operation of the rifle.
- Regularly inspect the buffer tube assembly for signs of wear or damage.
- Follow all manufacturer recommendations for maintenance and care.

Disposal Instructions

- Dispose of any packaging materials and components in accordance with local regulations.
- Do not dispose of any firearm components in regular household waste.
- If the product is deemed unsafe or no longer usable, consult local regulations for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the AR15/M16 A2 Rifle Buffer Tube Assembly, please refer to the manufacturer's contact information provided with the product.

By following these safety instructions, you can ensure the safe and effective use of your AR15/M16 A2 Rifle Buffer Tube Assembly. Always prioritize safety and compliance with applicable laws and regulations. Thank you for choosing Brownells.
