

MARLIN LEVER ACTION QUICK TAKEDOWN SCREW - BROWNELLS

QUICK TAKEDOWN SCREW FOR MARLIN 336

[Rifle Parts](#) > [Receiver Parts](#) > [Takedown Parts](#) > [Screws](#)

For Quick Lever Removal & Installation

Oversized, steel takedown screw allows easy lever removal for a thorough cleaning, plus makes quick work when swapping standard levers for large loop levers for cowboy action shooting. Large diameter, knurled head provides a non-slip grasp during installation and removal. Replaces the original, factory lever screw without alteration.

MARLIN LEVER ACTION QUICK TAKEDOWN SCREW

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Marlin Lever Action Quick Takedown Screw by Brownells. This product is designed to enhance the functionality of your Marlin 336 lever action rifle, allowing for easy takedown and maintenance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your Marlin 336 lever action rifle before using the Quick Takedown Screw.
- Always handle firearms with care and treat them as if they are loaded.
- Keep the Quick Takedown Screw and all tools out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye protection, when working on firearms.
- Be aware of your surroundings and ensure that you are in a safe environment when using or maintaining your rifle.
- Regularly check for product recalls or safety notices on the EU Safety Gate platform.

Specific Safety Precautions for Use

- Before installation, ensure that the rifle is unloaded and the action is open.
- Do not use excessive force when installing or removing the Quick Takedown Screw to avoid damage to the rifle.
- Inspect the Quick Takedown Screw for any signs of wear or damage before each use. Do not use if damaged.
- If you experience difficulty during installation or removal, consult a qualified gunsmith for assistance.
- Avoid using the Quick Takedown Screw in wet or humid conditions to prevent rust and corrosion.

Instructions for Installation and Usage

1. Preparation

- Ensure that your Marlin 336 lever action rifle is unloaded.
- Gather necessary tools, including a suitable screwdriver.

2. Installation

- Locate the original lever screw on your Marlin 336.
- Using the screwdriver, carefully remove the original lever screw.
- Take the Marlin Quick Takedown Screw and align it with the screw hole.
- Gently insert the Quick Takedown Screw and handtighten until secure. Do not overtighten.

3. Usage

- To remove the lever for cleaning, simply unscrew the Quick Takedown Screw by turning it counterclockwise.
- After cleaning, reattach the lever by following the installation steps in reverse.

4. Maintenance

- Regularly inspect the Quick Takedown Screw for any signs of wear or damage.

- Clean the screw and surrounding area to prevent dirt buildup.

Disposal Instructions

- Dispose of any damaged or worn parts in accordance with local regulations.
- If the Quick Takedown Screw is no longer usable, consider recycling the metal components where possible.

Contact Information for Further Support

For any inquiries regarding safety or usage of the Marlin Lever Action Quick Takedown Screw, please contact your local distributor or refer to the manufacturer's website for additional support and resources.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our priority. Enjoy your experience with the Marlin Lever Action Quick Takedown Screw!
