

GUNSMITH MASTER PUNCH SET

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Punches](#)

High Quality Tools For Professional Results

The punches in this master set were specifically chosen for the professional gunsmith. We handpicked high quality punches and added a nylon bench block, nylon/brass hammer, and neoprene gun mat, then packed them in a durable polyethylene case for easy access and storage in the shop. Features (4) premium quality starter punches to break loose stuck or tight pins, (4) pin punches with hardened points that won't bend, (1) prick punch for marking spots before center punching, and (1) center punch for starting holes before drilling. Also includes (4) premium brass punches for drifting sights, driving pins or fitting parts when marking or scratching the surface can mean the difference between a job well done and disaster, plus (3) nylon front-sight drift punches for driving the front sight in or out without marring. Steel and brass punches are individually marked for size. Solid nylon, bench block with "V" center holds round or flat pieces tight. Nylon/Brass hammer with nylon head won't mar metal, and solid brass head is perfect for driving punches. Neoprene gun mat is soft and flexible to safeguard the finish on guns during cleaning or repair. Just the right size to hold a handgun and small parts; easily cleans with mild detergent and warm water.

GUNSMITH MASTER PUNCH SET Safety Instruction Guide

Introduction

Thank you for choosing the GUNSMITH MASTER PUNCH SET. This product is designed for professional gunsmiths and hobbyists alike. To ensure your safety and the proper use of this tool set, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the punches in a safe and controlled environment.
- Ensure that you are wearing appropriate personal protective equipment (PPE), including safety glasses, gloves, and a dust mask if necessary.
- Keep the work area clean and welllit to prevent accidents.
- Store the punches in their designated case when not in use to prevent damage and accidental injuries.
- Do not use the punches for any purpose other than intended.
- Ensure that children and pets are kept away from the work area while using this product.

Specific Safety Precautions for Use

- Inspect all tools before use for any signs of damage or wear. Do not use damaged tools.
- Use the nylon bench block to support workpieces securely while using punches.
- When using the hammer, ensure that you are striking the punch squarely to avoid glancing blows that could cause injury.
- Use the prick punch to mark the desired location before drilling to prevent slipping.
- If a punch becomes stuck, do not force it. Instead, use appropriate tools to safely remove it.
- Avoid using excessive force when driving punches to prevent breakage or injury.
- Always keep fingers and hands clear of the punch path when striking with the hammer.

Instructions for Installation and Usage

1. Preparation:

- Ensure your work area is clean and organized.
- Gather all necessary tools, including the punches, hammer, and bench block.

2. Using the Punches:

- Select the appropriate punch size for your task.
- Place the workpiece securely on the nylon bench block.
- Use the prick punch to mark the spot where you want to drill.
- Align the pin punch with the marked spot and hold it firmly in place.
- Use the nylon/brass hammer to strike the punch gently, increasing force as necessary.
- For brass punches, follow the same procedure, ensuring that you are using them for the intended purpose.

3. PostUse:

- After completing your task, clean the punches and bench block to remove any debris.
- Store all tools in the polyethylene case to protect them from damage and ensure safety.

Disposal Instructions

- Dispose of any damaged or wornout punches according to local regulations.
- Do not dispose of tools in regular household waste. Check with local waste management for proper disposal methods.
- Recycle materials when possible, such as metal and plastic components.

Contact Information for Further Support

For safety inquiries or further assistance, please reach out to the manufacturer or your retailer. Ensure you have the product details available for reference.

By following these safety instructions, you can ensure a safer and more effective experience using the GUNSMITH MASTER PUNCH SET. Always prioritize safety and proper usage to avoid accidents and injuries. Thank you for your attention to these guidelines.
