## Prevent Those Beautiful Round-Headed Pins From Flat-Topping

**CUP TIP PUNCHES** The Brownells Cup Tip Punches are precision-engineered tools designed to facilitate the removal and installation of round-headed pins, particularly those found on Smith & Wesson handguns. Each punch features a concave, "cupped" tip that precisely fits the rounded heads of pins, preventing deformation and maintaining the firearm's aesthetics during maintenance.

**Description and Features:** **Specialized Design:** The concave tips are specifically crafted to match the contours of round-headed pins, ensuring a secure fit and minimizing the risk of slipping or damaging the pin heads. **High-Quality Construction:** Made from hardened steel, these punches offer exceptional durability and longevity, standing up to repeated use in gunsmithing tasks.

**Variety of Sizes:** The punches are available in multiple diameters to accommodate a range of pin sizes commonly encountered in firearms.

**Available Sets:** Brownells offers these cup tip punches in several sets to suit different needs: **Set A:** Includes punches #1 (0.057" long), #2 (0.066" long), and #3 (0.072" long). **Set B:** Comprises punches #4 (0.040" short), #5 (0.050" short), and #6 (0.050" long). **Set C:** Contains punches #1 through #6, providing a comprehensive range for various applications. **Set D:** Offers the complete selection of punches #1 through #8, along with a Delrin Bench Block (also available separately as Brownells #080-000-644), enhancing the convenience and versatility of the set. **Specifications:** Punch Diameters: #1: 0.057" (Long) #2: 0.066" (Long) #3: 0.072" (Long) #4: 0.040" (Short) #5: 0.050" (Short) #6: 0.050" (Long) #7: 0.118" (Long) #8: 0.118" (Short) **Customer Insights:** Our customers report that the Brownells Cup Tip Punches are indispensable for maintaining the integrity of round-headed pins during firearm disassembly and assembly. The specialized cupped design ensures that pins remain unmarred, preserving the firearm's appearance and functionality. Incorporating the Brownells Cup Tip Punches into your gunsmithing toolkit ensures you have the precise tools needed for delicate pin work, enhancing both the efficiency and quality of your firearm maintenance projects.

# CUP TIP PUNCHES BROWNELLS COMPLETE CUP TIP 8PUNCH SET D Safety Instruction Guide

## Introduction

Thank you for choosing the CUP TIP PUNCHES BROWNELLS COMPLETE CUP TIP 8PUNCH SET D. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the punches.

## General Safety Guidelines

- Always inspect the punches for any signs of damage or wear before use. Do not use damaged tools.
- Keep the punches out of reach of children and vulnerable individuals to prevent accidental injuries.
- Use the punches only for their intended purpose as described in this guide.
- Ensure that your working area is clean, welllit, and free from distractions while using the punches.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes during use.
- Follow all local regulations and guidelines regarding the use of tools and equipment.

## Specific Safety Precautions for Use

- **Avoid Pinching:** Be cautious of pinch points when using the punches, especially when inserting or removing them from the bench block.
- **Secure Workpiece:** Ensure that the workpiece is securely held in place to avoid slips or accidents during use.
- **Proper Tool Handling:** Always hold the punches by their handles and avoid applying excessive force that could lead to tool failure.
- **Use Appropriate Punch Size:** Select the correct punch size for the task to prevent damage to the workpiece or the tool.
- **No Modifications:** Do not modify the punches or use them in ways that are not intended by the manufacturer.

## Instructions for Installation and Usage

### 1. Selecting the Punch:

- Choose the appropriate cup tip punch size for your application. The set includes sizes: 1.3mm, 1.4mm, 1.7mm, 1.8mm, 1mm, and 3mm.

### 2. Using the Bench Block:

- Place the Delrin® bench block on a stable surface.
- Organize the punches in the designated slots on the bench block for easy access.

### 3. Punching Process:

- Position the punch over the round head pin you wish to work on.
- Apply steady pressure to drive the punch into the pin, ensuring that the punch remains perpendicular to the surface.
- Avoid excessive force to prevent damaging the punch or the pin.

### 4. After Use:

- Clean the punches after use to remove any debris or residue.
- Store the punches in the bench block or a safe location to prevent damage or injury.

## **Disposal Instructions**

- Dispose of any damaged or worn punches responsibly. Do not throw them in regular waste.
- Follow local regulations for the disposal of metal tools and materials.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the CUP TIP PUNCHES BROWNELLS COMPLETE CUP TIP 8PUNCH SET D, please refer to the manufacturer's contact information provided with your product.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with the CUP TIP PUNCHES BROWNELLS COMPLETE CUP TIP 8PUNCH SET D. Always prioritize safety and proper usage to maintain the integrity of both the tools and your work. Thank you for your attention to these important guidelines.
