

# AR-15/M16 A2 SINGLE-POINT SLING ADAPTER - A2 SINGLE-POINT ADAPTER LEFT HAND

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

Low-profile adapter gives an AR-15/M16 with an A2-style buttstock the convenience and versatility of single-point clip-on sling/mash-hook/H&K sling mounting attachment. Precision machined from 4140 carbon steel for extra strength, with extra metal on the attachment loop, so no matter how hard you pull or twist the sling, this adapter won't break. Right Hand (RH) model has the loop on the left side to accommodate right-handed shooters; Left Hand (LH) model has the loop on the right for left-handed shooters. Requires no permanent alterations to rifle: simply remove the buttstock, slide the adapter over the receiver extension tube, and reinstall the stock using the included spacer and extended buttplate screw.

# AR15/M16 A2 SinglePoint Sling Adapter Safety Instruction Guide

## Introduction

Thank you for choosing the AR15/M16 A2 SinglePoint Sling Adapter. This product is designed to enhance the versatility and convenience of your firearm. To ensure safe and effective use, please read this safety instruction guide carefully before installation and use.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the sling adapter is compatible with your specific AR15/M16 model.
- Inspect the adapter for any signs of damage or wear before each use.
- Keep the adapter and all firearm accessories out of reach of children.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the firearm is unloaded before installation. Verify that the safety mechanism is engaged.
- **Usage Safety:** Do not exceed the recommended load limit of the sling adapter. Excessive force can lead to failure.
- **Right and Left Hand Models:** Use the correct model for your dominant hand to ensure optimal control and safety.
- **Avoid Twisting:** Do not twist or pull excessively on the sling while in use to prevent damage to the adapter and firearm.
- **Regular Inspections:** Periodically check the attachment loop for signs of wear or damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and the safety is engaged.
- Gather necessary tools: a spacer and an extended buttplate screw (included).

### 2. Installation Steps:

- Remove the buttstock from the firearm.
- Slide the adapter over the receiver extension tube.
- Position the loop according to your dominant hand:
  - Right Hand (RH) model: Loop on the left side.
  - Left Hand (LH) model: Loop on the right side.
- Reinstall the buttstock using the included spacer and extended buttplate screw.
- Ensure everything is tightened securely.

### 3. Usage Guidelines:

- Attach your sling or mashhook to the loop of the adapter.
- Ensure that the attachment is secure before use.
- Practice safe handling of your firearm while using the sling adapter.

## **Disposal Instructions**

- Dispose of the sling adapter responsibly. Check local regulations for disposal of metal products.
- Do not dispose of the product in regular household waste. Instead, consider recycling options.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the AR15/M16 A2 SinglePoint Sling Adapter, please refer to the manufacturer's website or customer service resources.
