

# AR-15/M16 LOWER RECEIVER VISE BLOCK - BRN AR-15/M16 LOWER RECEIVER VISE BLOCK

[Gunsmith Tools & Supplies](#) > [Rifle Tools](#) > [Bench & Vise Blocks](#)

## Protect Receiver From Damage When Clamping

Heavy-duty blocks allow you to firmly clamp AR-15/M16 receiver halves in a vise without risk of crushing, twisting, or otherwise distorting them when applying vise pressure or torquing the barrel nut. Keeps your rifle secure for safe, effective cleaning, assembly, and repair. Unbreakable urethane vise block takes all the clamping force, so your expensive lower receiver won't be damaged or distorted. Insert block into the magazine housing from the top or bottom, then clamp the other end in your bench vise. The magazine catch locks to the block, safely and securely holding the rifle for assembly, disassembly, cleaning, or repair. Will not mar or scratch the finish. Fits tightly in most receivers and may require filing to fit others.

## Attributes

- Name: [BRN AR-15/M16 LOWER RECEIVER VISE BLOCK](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080000662
- Mfr. No.:
- Make: AR-15
- Delivery weight: 0.136kg
- Shipping height: 10mm
- Shipping width: 56mm
- Shipping length: 135mm
- UPC: 050806109537

# AR15/M16 Lower Receiver Vise Block Safety Instruction Guide

## Introduction

Thank you for purchasing the AR15/M16 Lower Receiver Vise Block. This guide provides important safety instructions and usage guidelines to ensure your safety and the effective operation of the product. Please read this guide carefully before using the vise block.

## General Safety Guidelines

- Ensure the vise block is compatible with your AR15/M16 receiver before use.
- Always inspect the vise block for any signs of damage or wear before each use.
- Use the vise block only for its intended purpose as described in this guide.
- Keep the vise block out of reach of children and pets.
- If you experience any issues during use, stop immediately and consult a professional.

## Specific Safety Precautions for Use

- **Clamping Pressure:** Do not exceed the recommended clamping pressure to avoid damaging the receiver.
- **Proper Fit:** Ensure the vise block fits securely in the magazine housing. If it does not fit properly, file it down for a better fit.
- **Secure Setup:** Always use the vise block in a stable, secure bench vise to prevent slipping or movement during use.
- **Work Area:** Maintain a clean and organized work area to minimize the risk of accidents.
- **Protective Gear:** Consider wearing safety goggles and gloves when working with firearms to protect against debris and sharp edges.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials.
- Ensure the firearm is unloaded and in a safe condition before beginning any work.

### 2. Inserting the Vise Block:

- Insert the vise block into the magazine housing of the receiver from either the top or bottom.
- Ensure the block is seated securely.

### 3. Clamping:

- Clamp the other end of the vise block in your bench vise.
- Adjust the vise to hold the block firmly without excessive force.

### 4. Locking the Magazine Catch:

- Engage the magazine catch to lock the block in place.
- Ensure it is locked securely to prevent movement during assembly or disassembly.

### 5. Performing Work:

- Proceed with cleaning, assembly, or repair as needed.

- Monitor the vise block and receiver for any signs of distortion or damage during use.

## **Disposal Instructions**

- Dispose of the vise block responsibly, following local regulations for plastic waste.
- Do not incinerate the vise block as it may release harmful fumes.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15/M16 Lower Receiver Vise Block, please contact the manufacturer or your point of purchase for assistance. Always refer to the product's documentation for additional information.

By following these guidelines and precautions, you can ensure the safe and effective use of your AR15/M16 Lower Receiver Vise Block. Thank you for your attention to safety.
