

AR-15/M16 A2 SINGLE-POINT SLING ADAPTER - A2 SINGLE-POINT ADAPTER RIGHT HAND

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Tactical Sling Mounts](#)

Low-profile adapter gives an AR-15/M16 with an A2-style buttstock the convenience and versatility of single-point clip-on sling/mash-hook/H&K sling mounting attachment. Precision machined from 4140 carbon steel for extra strength, with extra metal on the attachment loop, so no matter how hard you pull or twist the sling, this adapter won't break. Right Hand (RH) model has the loop on the left side to accommodate right-handed shooters; Left Hand (LH) model has the loop on the right for left-handed shooters. Requires no permanent alterations to rifle: simply remove the buttstock, slide the adapter over the receiver extension tube, and reinstall the stock using the included spacer and extended buttplate screw.

Safety Instruction Guide for AR15/M16 A2 SinglePoint Sling Adapter

Introduction

Thank you for choosing the AR15/M16 A2 SinglePoint Sling Adapter. This guide provides essential safety instructions and information to ensure safe and effective use of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the adapter is compatible with your AR15/M16 A2style buttstock before installation.
- Always inspect the sling adapter for any damage or wear before each use.
- Use the adapter only for its intended purpose as a singlepoint sling attachment.
- Keep the adapter out of reach of children and unauthorized users.
- In case of any malfunction or failure during use, cease operation immediately and inspect the product.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always use the adapter with a properly secured sling to prevent accidental detachment.
- Do not exceed the recommended weight limits for the sling and adapter combination.
- Avoid using the adapter in conditions that may compromise its integrity, such as extreme temperatures or exposure to corrosive substances.
- Ensure that the adapter is securely fastened to the rifle before use.
- Be aware of your surroundings and ensure that the sling does not pose a risk to yourself or others.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the rifle is unloaded and safe to handle.
- Remove the buttstock from the rifle.
- Slide the adapter over the receiver extension tube.
- Reinstall the buttstock using the included spacer and extended buttplate screw.
- Ensure that the adapter is securely attached and that the loop is positioned correctly for righthanded or lefthanded use.

2. Usage Instructions:

- Attach your sling to the adapter loop securely.
- Adjust the sling length as necessary for comfort and proper handling.
- Regularly check the attachment points for wear or damage during use.

Disposal Instructions

- Dispose of the adapter in accordance with local regulations.
- If the adapter is damaged or no longer usable, ensure it is disposed of in a way that prevents accidental reuse.

Contact Information for Further Support

For any questions or concerns regarding the AR15/M16 A2 SinglePoint Sling Adapter, please contact the manufacturer or your local dealer for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority.
