Safety Instruction Guide for 1911 PIN HOLE REAMERS

Introduction

Thank you for choosing the 1911 PIN HOLE REAMERS by BROWNELLS. This guide provides essential safety instructions to ensure the safe use of the product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the reamers.

General Safety Guidelines

- Always use the reamers in accordance with the manufacturer's instructions.
- Ensure that the work area is clean, welllit, and free of distractions.
- Keep the reamers out of reach of children and vulnerable individuals.
- Do not use the reamers for any other purpose than intended.
- Regularly inspect the reamers for signs of damage or wear before use.
- If any part of the reamer is damaged, discontinue use immediately and replace it.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, to protect against metal shavings and debris.
- Ensure that the workpiece is securely clamped before using the reamers to prevent movement.
- Always maintain a firm grip on the reamer handle to avoid slippage during use.
- Avoid excessive force when using the reamers; apply steady pressure to achieve desired results.
- Do not attempt to modify the reamers or use them outside their intended application.
- Be cautious of sharp edges and points on the reamers to prevent cuts and injuries.
- Store the reamers in a safe place, preferably in a protective case, when not in use.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials prior to starting your project.
- Ensure the workpiece is clean and free from debris.

2. Using the Reamer:

- Select the appropriate size of the reamer for the pin hole you are working on.
- Insert the reamer into the pin hole, ensuring it is aligned correctly.
- Apply gentle, even pressure while turning the reamer to cut the hole to the desired size.
- Periodically withdraw the reamer to clear away any metal shavings that may accumulate.

3. PostUse:

- After use, clean the reamer with a soft cloth to remove any debris.
- Inspect the reamer for any signs of damage or wear.
- Store the reamer in a dry, secure location.

Disposal Instructions

- Dispose of any damaged or worn reamers in accordance with local regulations.
- Do not dispose of reamers in regular household waste. Instead, check for local recycling programs or

hazardous waste disposal options.

- Ensure that any metal shavings or debris are collected and disposed of responsibly to prevent environmental harm.

Contact Information for Further Support

For any safety inquiries or additional support regarding the 1911 PIN HOLE REAMERS, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience while using the 1911 PIN HOLE REAMERS. Thank you for your attention to safety and for choosing our product.
